## IMPORTANT INFORMATION

No person has the right to receive any benefits of this Plan following termination of coverage, except as specifically provided under the Benefits After Termination or Continuation of Coverage provisions in this Evidence of Coverage booklet.

Benefits of this Plan are available only for services and supplies furnished during the term the Plan is in effect, and while the benefits you are claiming are actually covered by this Plan.

Reimbursement may be limited during the term of this Plan as specifically provided under the terms in this booklet. Benefits may be modified or eliminated upon subsequent years' renewals of this Plan. If benefits are modified, the revised benefits (including any reduction in benefits or the elimination of benefits) apply for services or supplies furnished on or after the effective date of modification. There is no vested right to receive the benefits of this Plan.

Claim information can be used by Anthem Blue Cross and Medco to administer the program.

## Patient Protection and Affordable Care Act

### Health Care Reform

The Patient Protection and Affordable Care Act, as amended by the Health Care and Education Affordability Reconciliation Act of 2010, expands health coverage for various groups and provides mechanisms to lower costs and increase benefits for Americans with health insurance. As federal regulations are released for various measures of the law, CalPERS may need to modify benefits accordingly. For up-to-date information about CalPERS and Health Care Reform, please refer to the Health Care Reform page at [www.calpers.ca.gov](http://www.calpers.ca.gov).

## 24/7 NurseLine

Your Plan includes a 24-hour nurse assessment service to help you make decisions about your medical care. You can reach a specially trained registered nurse who can address your health care questions by calling 24/7 NurseLine toll free at **1-800-700-9185**. If you are outside of the United States, you should contact the operator in the country you are in to assist you in making the call. Be prepared to provide your name, the patient's name (if you are not calling for yourself), the subscriber's identification number, and the patient's phone number.

The nurse will ask you some questions to help determine your health care needs.\* Based on the information you provide, the advice may be to:

- Take care of yourself at home. A follow-up phone call may be made to determine how well home self-care is working.
- Schedule a routine appointment within the next two weeks, or an appointment at the earliest time available (within 64 hours), with your physician. If you do not have a physician, the nurse will help you select one by providing a list of physicians who are Preferred Providers in your geographical area.
- Call your physician for further discussion and assessment.
- Immediately call 911.

In addition to providing a nurse to help you make decisions about your health care, 24/7 NurseLine gives you free unlimited access to its AudioHealth Library, featuring recorded information on more than 100 health care topics. To access the AudioHealth Library, call toll free 1-800-700-9185 and follow the instructions given.

\* Nurses cannot diagnose problems or recommend specific treatment. They are not a substitute for your physician's care.

## IMPORTANT INFORMATION

### ConditionCare

Your Plan includes ConditionCare to help you better understand and manage specific chronic health conditions and improve your overall quality of life. ConditionCare provides you with current and accurate data about asthma, diabetes, heart disease, and vascular-at-risk conditions plus education to help you better manage and monitor your condition. ConditionCare also provides depression screening.

You may be identified for participation through paid claims history, hospital discharge reports, physician referral, or Case Management, or you may request to participate by calling ConditionCare toll free at **1-800-522-5560**. Participation is voluntary and confidential. These programs are available at no cost to you. Once identified as a potential participant, a ConditionCare representative will contact you. If you choose to participate, a program to meet your specific needs will be designed. A team of health professionals will work with you to assess your individual needs, identify lifestyle issues, and support behavioral changes that can help resolve these issues. Your program may include:

- Mailing of educational materials outlining positive steps you can take to improve your health; and/or
- Phone calls from a nurse or other health professional to coach you through self-management of your condition and to answer questions.

ConditionCare offers you assistance and support in improving your overall health. They are not a substitute for your physician's care.

## BENEFIT AND ADMINISTRATIVE CHANGES

The following is a brief summary of administrative changes that will take effect January 1, 2011. Be sure to refer to the PERS Choice Supplemental To Original Medicare Plan - Summary Of Benefits beginning on page 2, Benefit Beyond Medicare beginning on page 11, Benefit Limitations, Exceptions and Exclusions beginning on page 26 for more information.

- **Christian Science Treatment.** Benefits provided for Christian Science Treatment have been deleted from the plan.
- **Discretionary Drugs.** Coverage has been added for Discretionary Drugs with a 50% copayment.
- **Extended Payment Plan available through Medco.** Medco offers a program to help pay for mail service prescriptions called Extended Payment Plan. Please refer to the Outpatient Prescription Drug Program for more information.
- **Outpatient Prescription Drug Program Exclusions.** The following Outpatient Prescription Drug Program exclusions have been added:
  - A prescription drug that has an over-the-counter alternative.
  - Compounded medications if: (1) there is a medically appropriate Formulary alternative, or, (2) the compounded medication contains any ingredient not approved by the FDA. Compounded medications that do not include at least one Prescription Drug, as defined on page 48, are not covered.
  - Replacement of lost, stolen or destroyed prescription drugs.
- **Partial Waiver of Non-Preferred Brand-Name Drug Copayment Change.** The Partial Waiver of Non-Preferred Brand copayments have been changed to \$40 for non-Maintenance Medications provided by a Participating Retail Pharmacy and \$70 for Drugs provided through the Mail-Order Program.
- **Prescription Drug Out-of-Pocket Maximum.** Copayments for Non-Preferred Brand-Name Medications do not apply to your Prescription Drug out-of-pocket maximum.

## PERS Choice SUPPLEMENT TO THE ORIGINAL MEDICARE PLAN - SUMMARY OF BENEFITS

The following chart is only a summary of benefits under your PERS Choice Supplemental Plan. Please refer to pages 7-10 for a detailed description of how Supplement to Original Medicare Benefits are paid and the Outpatient Prescription Drug Program section beginning on page 17. Payments applicable to Benefits Beyond Medicare are described on page 11. Please review this Evidence of Coverage and *Medicare & You* (the handbook describing Medicare benefits at <http://www.medicare.gov/Publications/Pubs/pdf/10050.pdf>) for specific information on benefits, limitations and exclusions.

## INTRODUCTION

### Welcome to the PERS Choice Supplemental Plan!

This PERS Choice Supplement to Original Medicare Plan (PERS Choice Supplemental Plan) is designed for Members enrolled in the California Public Employees' Retirement System's (CalPERS) health benefits program who are also enrolled in both Parts A (hospital insurance) and B (medical insurance) of Medicare. After you or your eligible family members are enrolled in this Plan, you may not change enrollment to a Basic Plan unless (1) there is an involuntary termination of your Medicare benefits, or (2) you move, other than temporarily, outside the United States as defined in the Federal Social Security Act. If you voluntarily cancel Part B of Medicare, you will not be eligible for a Basic Plan, nor will you be allowed to remain in this Plan.

A family group member, including a person enrolled in this PERS Choice Supplemental Plan, who is not eligible for Medicare and continues in the PERS Choice Basic Plan must enroll in this Plan when he or she is eligible to enroll in Medicare.

The coverage under PERS Choice Supplemental Plan Outpatient Prescription Drug Program takes the place of the Medicare voluntary outpatient prescription drug benefits (Part D). The Plan's outpatient prescription drug coverage is on average as good as or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because the Plan's prescription drug coverage is creditable, you are not allowed to enroll in a Part D prescription drug plan and remain enrolled in this Plan. Enrollment in Part D will result in the loss of your PERS Choice Supplemental Plan medical and prescription drug coverage.

A Notice of Creditable Coverage documents your coverage under the PERS Choice Supplemental Plan. However, you should be aware that, if you have a subsequent break in this coverage of 63 days or more before enrolling in Part D, you could be subject to payment of higher Part D premiums. You may request a copy of a Notice of Creditable Coverage by calling the Anthem Blue Cross Customer Service Department at 1-877-737-7776.

Please note that this Plan does not cover custodial care in any facility or situation, including a skilled nursing facility.

As a PERS Choice Supplemental Plan Member, you are responsible for meeting the requirements of the PERS Choice Supplemental Plan. Lack of knowledge of or lack of familiarity with, the information contained in this Evidence of Coverage booklet does not serve as an excuse for noncompliance. Please take the time to familiarize yourself with this booklet and *Medicare & You*.

Thank you for joining PERS Choice Supplemental Plan.

### PERS Choice Supplemental Plan Identification Card

Following enrollment as a PERS Choice Supplemental Plan Member, you will receive a PERS Choice Supplemental Plan ID card. To receive medical services and prescription drug benefits as described in the Plan, please present your ID Card to each provider of service. If you need a replacement card, call the Anthem Blue Cross Customer Service Department at 1-877-737-7776.

Possession of a PERS Choice Supplemental Plan ID card confers no right to services or benefits of this Plan. To be entitled to services or benefits, the holder of the card must be a Plan Member on whose behalf premiums have actually been paid.

If you allow the use of your ID card (whether intentionally or negligently) by an unauthorized individual, you will be responsible for all charges incurred for services received. Any other person receiving services or other benefits to which he or she is not entitled, without your consent or knowledge, is responsible for all charges incurred for such services or benefits.

## MEDICARE & YOU

Each year the U.S. Department of Health and Human Services publishes a Medicare handbook entitled *Medicare & You*. This handbook outlines the benefits Medicare provides and includes any changes in deductibles, coinsurance, or benefits that may occur from year to year. To obtain a copy, contact your nearest Social Security office, visit the Web site [www.medicare.gov](http://www.medicare.gov), or write to:

Medicare Publications  
Department of Health and Human Services  
Centers for Medicare & Medicaid Services  
7500 Security Blvd.  
Baltimore, MD 21244-1850

A directory of physicians who accept Medicare assignment (Medicare Provider Directory) can also be obtained from the Department of Health and Human Services at the above address.

**Please refer to page 8 of this Evidence of Coverage booklet for a description of the difference in benefit payments using a provider who accepts Medicare assignment and a provider who does not accept Medicare assignment. It is your responsibility to confirm with your provider whether or not he or she accepts Medicare assignment prior to receiving services.**

**Some providers do not participate in Medicare. If you choose to get care from a provider who has decided not to participate in, or has been excluded from, the Medicare program, Medicare and this Plan will not pay for services provided by that provider. You will have to pay whatever the provider charges you for his or her services.**

### **Claim-Free Service**

As a PERS Choice Supplemental Plan Member, you may enroll in a claims filing program called the *Claim-Free* program. Your enrollment in the *Claim-Free* program means that you need not file a paper claim yourself for Supplement to Original Medicare professional and hospital benefits as long as your provider billed Medicare directly.

**NOTE:** The *Claim-Free* program does not apply to the "Benefits Beyond Medicare" listed on page 11. See page 11 for more information on how to obtain reimbursement for those benefits.

Once enrolled in the *Claim-Free* program, your Supplement to Original Medicare benefits will automatically be paid through Anthem Blue Cross' *Claim-Free* process, which makes it possible for Anthem Blue Cross plans to electronically obtain Medicare claims data directly from Medicare claims processors. In some cases, you may receive your PERS Choice Supplemental Plan benefit claim payment faster than your Medicare payment.

To enroll in the *Claim-Free* program, return the postcard that will be sent to you automatically once you are enrolled in the PERS Choice Supplemental Plan. You may also call Anthem Blue Cross at 1-877-737-7776 to enroll. Please make sure you have your Medicare card available when you place the call.

You may disenroll from the *Claim-Free* program for any reason by calling Anthem Blue Cross at 1-877-737-7776. Make sure you have your Medicare card available when you place the call. If you choose to disenroll in the *Claim-Free* program, you will need to submit your claims to Medicare as discussed below.

### **Supplement to Original Medicare Benefits**

Subject to benefits being covered by Medicare while you are enrolled under the PERS Choice Supplemental Plan, the PERS Choice Supplemental Plan will pay the amounts shown below under *Plan Payments* for medically necessary services and supplies furnished for the diagnosis or treatment of illness, pregnancy, or accidental injury. The date on which a service or supply is furnished will be deemed the date on which the expense was incurred or the charge made.

**If you choose to get care from a provider who does not participate in the Medicare program, Medicare and this Plan will not pay for the services and supplies provided by that provider. You will have to pay whatever the provider charges you for his or her services.** (For information on Medicare benefits, please refer to the *Medicare & You* handbook or call your nearest Social Security office.)

## MEDICARE & YOU

### ***Hospital Benefits (Part A)***

If you are not enrolled in the *Claim-Free* program, you should present your PERS Choice Supplemental Plan ID card along with your Social Security Medicare ID card at the hospital admissions desk. The hospital may bill Anthem Blue Cross for benefits under your PERS Choice Supplemental Plan after they have received payment from Medicare. You should discuss billing procedures with the hospital's billing office.

If you do not have your PERS Choice Supplemental Plan ID card when you enter the hospital or if the status of your contract is questioned, ask the hospital to contact Anthem Blue Cross at 1-877-737-7776.

### ***Medical Benefits (Part B)***

If you are not enrolled in the *Claim-Free* program, you must first submit all medical claims to Medicare.

After Medicare has processed your claim, you will receive a Medicare Summary Notice statement. Write your member number and group number (from your PERS Choice Supplemental Plan ID card) on the Medicare Summary Notice statement, and then mail it and a copy of the itemized bill for the services received to:

Anthem Blue Cross  
P.O. Box 60007  
Los Angeles, CA 90060-0007

The PERS Choice Supplemental Plan will make supplemental payments as described below.

Payments for services covered by this Plan may be paid to you or directly to the provider, if he or she is a Physician Member (see definition on page 47).

## **Payment of Supplement to Original Medicare Benefits**

### ***Deductibles***

When a Member is receiving concurrent benefits from Medicare, the PERS Choice Supplemental Plan pays one hundred percent (100%) of the Medicare Part A and B deductibles.

### ***Plan Payments***

When a Member is receiving concurrent benefits from Medicare, the PERS Choice Supplemental Plan payments for covered charges are provided according to whether the provider participates in the Medicare program and accepts Medicare assignment or not. The following illustrates how PERS Choice Supplemental Plan payments will be determined.

<i>If the provider participates in Medicare and <b>accepts Medicare</b> assignment:</i>	<i>If the provider participates in Medicare and <b>DOES NOT accept Medicare</b> assignment:</i>	<i>If the provider <b>DOES NOT participate</b> in Medicare:</i>
The PERS Choice Supplemental Plan payment is limited to one hundred percent (100%) of the difference between the amount paid by Medicare and Medicare's approved amount. See notes 1 and 2 on the next page.	The PERS Choice Supplemental Plan payment is limited to one hundred percent (100%) of the Medicare Limiting Amount (defined on page 46), less the amount paid by Medicare for covered charges. See notes 1 and 3 on the next page.	Medicare and this Plan do not pay. The total provider charges are the Member's responsibility to pay. See note 4 on the next page.

For information on Medicare assignment, please refer to the *Medicare & You* handbook.

## MEDICARE & YOU

### NOTES:

1. With regard to professional services and supplies, the PERS Choice Supplemental Plan payment plus the Medicare payment will be accepted as payment in full by Anthem Blue Cross Physician Members. Whether they accept Medicare assignment or not, Anthem Blue Cross Physician Members will not bill Members for amounts exceeding Medicare's approved amount. Members remain responsible for charges for services and supplies that are not covered by Medicare or the PERS Choice Supplemental Plan. Please see Payment Example (Supplement to Original Medicare) on the next page.
2. With regard to professional services and supplies, the PERS Choice Supplemental Plan plus the Medicare payment will be accepted as payment in full by providers who are not Anthem Blue Cross Physician Members but who **DO** accept Medicare assignment. Such providers may not bill Members for charges in excess of Medicare's approved amount. Members remain responsible for charges for services and supplies that are not covered by Medicare or the PERS Choice Supplemental Plan. Please see Payment Example (Supplement to Original Medicare) on the next page.
3. With regard to professional services and supplies, Plan Members are responsible for any difference between the combined amount paid by the PERS Choice Supplemental Plan and Medicare and the charges billed by providers who are not Anthem Blue Cross Physician Members and who do not accept Medicare assignment, within the limits of applicable law. Such providers may bill Members for the balance of any unpaid charges and for services and supplies that are not covered by Medicare or the PERS Choice Supplemental Plan. Please see Payment Example (Supplement to Original Medicare) on the next page.
4. Some providers do not participate in Medicare. Plan Members will be responsible for the total charges billed by providers who do not participate in the Medicare program. Please see Payment Example (Supplement to Original Medicare) on the next page.

### Payment Example (Supplement to Original Medicare)

The following payment example illustrates the differences in how a claim for professional services covered under Medicare Part B can be paid under the PERS Choice Supplemental Plan:

	Provider participates in Medicare and accepts Medicare assignment	Provider participates in Medicare and <b>does not</b> accept Medicare assignment	Provider <b>does not</b> participate in Medicare
<b>Billed Charges</b> – the amount the provider actually charges for a covered service provided to a Member	\$10,000	\$10,000	\$10,000
<b>Medicare-Approved Amount</b> – the amount allowed by Medicare for service provided. It may be less than the billed charges. Note: This is only an example.	\$4,500	\$4,500	\$0
<b>Medicare Payment</b> – the amount of the Medicare-approved amount Medicare pays after any applicable deductible and copayment are subtracted	\$3,600	\$3,600	\$0
<b>PERS Choice Supplemental Plan Payment</b> – the amount paid by the Plan determined by subtracting Medicare payment from Medicare-approved amount (provider accepts Medicare assignment) or Medicare Limiting Amount (provider does not accept Medicare assignment). The Medicare Limiting Amount cannot exceed 15% more than the Medicare-approved amount. This percentage may be lower in some states.	$\$4,500 - \$3,600 = \$900$	$\$900 + \$675 \text{ (15\% of } \$4,500) = \$1575$	\$0
<b>Total Amount the Member is Responsible To Pay</b>	\$0	\$4,825	\$10,000

## BENEFITS BEYOND MEDICARE

### Benefits Beyond Medicare Summary

To obtain reimbursement for those services and supplies that are a benefit of your “Benefits Beyond Medicare” coverage, submit copies of your bills, properly identified, to:

Anthem Blue Cross  
P.O. Box 60007  
Los Angeles, CA 90060-0007

No claim forms are necessary.

Bills submitted should include:

The statement “Benefits Beyond Medicare”	The Medicare ID number & the Medicare effective date
Subscriber’s name	Date(s) of service
Subscriber ID / Member number	Diagnosis
Group number	Type(s) of service
Patient’s name	Provider’s name & tax ID number
Patient’s date of birth	Amount charged for each service
Patient’s date of injury/illness	Patient’s other insurance information

**Claims for benefits provided under “Benefits Beyond Medicare” must be submitted within fifteen (15) months after the date services were provided.**

To receive reimbursement for **Vision Care Benefits**, refer to pages 13-14 for the mailing address and other information.

#### ***Claims Review for Benefits Beyond Medicare***

The PERS Choice Supplemental Plan reserves the right to review all claims and medical records to determine whether any exclusions or limitations apply.

### Hearing Aid Services

The PERS Choice Supplemental Plan provides benefits for covered hearing aid services and supplies at eighty percent (80%) of Anthem Blue Cross’ Allowable Amount.

Hearing aid services include a hearing evaluation to measure the extent of hearing loss and a hearing aid evaluation to determine the most appropriate make and model of hearing aid.

The hearing aid (monaural or binaural), including ear mold(s), the hearing aid instrument, initial battery cords, and other ancillary equipment, is subject to a maximum payment of one thousand dollars (\$1,000) per Member once every thirty-six (36) months. The Plan provides payment of up to one thousand dollars (\$1,000) regardless of the number of hearing aids purchased. This benefit also includes visits for fitting, counseling, adjustment, and repairs at no charge for a one-year period following the provision of a covered hearing aid.

### Hearing Aid Benefit Exclusions

The following are excluded under the Plan:

1. Purchase of hearing aid batteries or other ancillary equipment, except those covered under the terms of the initial hearing aid purchase.
2. Charges for a hearing aid which exceeds specifications prescribed for correction of hearing loss.
3. Replacement parts for hearing aids or repair of hearing aids after the covered one-year warranty period.
4. Replacement of a hearing aid more than once in any period of thirty-six (36) months.
5. Surgically implanted hearing devices.

## **BENEFITS BEYOND MEDICARE**

### **Smoking Cessation Programs**

The PERS Choice Supplemental Plan provides benefits for covered smoking cessation programs at eighty percent (80%) of Anthem Blue Cross' Allowable Amount.

Smoking cessation programs include behavior modifying smoking cessation counseling or classes or alternative treatments, such as acupuncture or biofeedback, for the treatment of nicotine dependency or tobacco use. The Plan provides payment of up to one hundred dollars (\$100) per calendar year. A legible copy of dated receipts for expenses must be submitted along with a claim form to Anthem Blue Cross to obtain reimbursement.

## VISION CARE BENEFITS

### Vision Care

#### ***For California Residents***

If you are a California resident, your routine vision care benefits are administered by Vision Service Plan (VSP). To receive maximum benefits under this Plan, make sure your vision care provider is a VSP participating provider. VSP participating providers have agreed to discounted fee arrangements which should reduce your out-of-pocket expenses. VSP participating providers will obtain an authorization number on your behalf and will submit claims to VSP after you have received services.

To locate a VSP participating provider near you, call VSP at 1-800-877-7195 or visit the Web site at [www.vsp.com](http://www.vsp.com).

You are not restricted to using VSP participating providers. If you choose to receive services from a non-participating provider, you must pay the bill at the time you receive the services and then request reimbursement from VSP.

To obtain reimbursement directly from VSP, submit a copy of an itemized bill, listing the covered services and supplies you received, to:

VSP  
Non-Member Doctor Claims  
P.O. Box 997100  
Sacramento, CA 95899-7100

#### ***For Members Residing Outside California***

If you reside outside the state of California, vision care benefits will be provided as shown on the next page for covered services and supplies provided by any qualified vision care provider.

To obtain reimbursement for those services and supplies, submit a copy of your itemized bill, properly identified, to:

Anthem Blue Cross  
P.O. Box 60007  
Los Angeles, CA 90060-0007

#### ***Routine Vision Care Benefits - What Is Covered***

The Vision Care Benefits described on the next page are provided for *routine* vision care ONLY. Examples of covered services include *routine* eye examinations, refractions, pupil dilation, glasses and contact lenses. Examples of vision care services that are **not** considered *routine* include examinations for diagnosed medical conditions of the eye such as cataracts or glaucoma, and eyeglasses or contact lenses prescribed following cataract surgery.

To obtain reimbursement for the treatment of such non-routine medical conditions of the eye, you must first submit copies of your bills to Medicare for processing. After Medicare has paid its portion of the bill, submit a copy of the bill along with a copy of your Medicare Summary Notice to:

Anthem Blue Cross  
P.O. Box 60007  
Los Angeles, CA 90060-0007

## VISION CARE BENEFITS

### Vision Care Benefits

The PERS Choice Supplemental Plan provides benefits for routine vision care services and supplies up to the maximum allowance shown below:

	Allowance
Complete eye examination .....	\$35.00
Lens (each):	
Single vision .....	\$20.00
Bifocal .....	\$35.00
Trifocal .....	\$45.00
Lenticular .....	\$50.00
Contact lenses (see below) .....	\$100.00
Frames .....	\$30.00

Examinations are limited to one (1) per Plan Member and lenses are limited to two (2) per Plan Member during a calendar year. Frames are limited to one (1) set per Plan Member over a two-year period.

Once each calendar year, you may have an eye examination for refractive error, including refraction, examination of the inner eye, measurement of eye tension, routine testing for visual field, and muscle balance. If normal examination reveals the need, a complete visual field examination, including pupil dilation or muscle balance, will be allowed. A follow-up visit for muscle balance will also be covered if medically necessary.

When an eye examination indicates that correction is necessary for proper visual health and welfare, the PERS Choice Supplemental Plan will pay up to the maximums stated for covered supplies.

#### Contact Lenses

When the Plan Member chooses contact lenses instead of other eyewear, the PERS Choice Supplemental Plan provides payment only up to the combined allowance for frames and lenses specified above, **but not to exceed one hundred dollars (\$100.00)**.

The PERS Choice Supplemental Plan will also pay a maximum of one hundred dollars (\$100.00) toward the purchase of contact lenses when medically necessary following cataract surgery, or if they are the only means by which vision in the better eye can be corrected to at least 20/70.

### Vision Care Benefit Exclusions

The following are excluded under the Plan:

1. Lenses that do not require a prescription or sunglasses, plain or prescription. Glasses with a tint other than No. 1 or No. 2 will be considered sunglasses for the purpose of this exclusion.
2. Services and materials (a) in connection with non-surgical treatment or procedures, such as orthoptics and visual training; (b) received in a United States government hospital, furnished elsewhere by or for the United States government, or provided by any government plan or law under which the individual is or could be covered; or (c) provided under workers' compensation benefits.
3. Replacement of lenses or frames which were furnished under the PERS Choice Supplemental Plan and which have been lost, stolen or broken.
4. Any procedure done to correct a refractive error, including surgeries such as LASIK and PRK.

## OUTSIDE THE UNITED STATES

Medicare does not provide benefits when you are outside the United States or its territories and need medical attention or hospitalization for illness or injury. Therefore, you should pay the bill yourself and submit to Anthem Blue Cross a copy of the itemized bill along with a report from the attending physician (written in English). You will then be reimbursed directly by the PERS Choice Supplemental Plan for covered services.

All requests for reimbursement must be submitted within fifteen (15) months from the date services were provided to:

Anthem Blue Cross  
P.O. Box 60007  
Los Angeles, CA 90060-0007

### Temporary Absence Outside the United States

When a Member incurs covered charges during the first six (6) months of a temporary absence outside the United States and its territories (unless provided in Canada or Mexico\*), the PERS Choice Supplemental Plan will provide the benefits as described in the PERS Choice Basic Plan Evidence of Coverage (EOC) booklet as though the Member incurring such charges were insured under that Plan. These benefits will include the PERS Choice Basic Plan co-payments and deductibles. You may obtain a copy of the PERS Choice Basic Plan Evidence of Coverage booklet by calling the Anthem Blue Cross Customer Service telephone at 1-877-737-7776.

If a Member is in the hospital on the last day of the six (6) months' temporary absence outside the United States, benefits will be provided under the PERS Choice Basic Plan for the duration of the hospital confinement or until the PERS Choice Basic Plan has paid benefits that reach the benefit maximum.

\*Exception for Canadian and Mexican Hospitals. Medicare generally cannot pay for hospital or medical services outside the United States. But it can help pay for care in qualified Canadian or Mexican hospitals in three situations: (1) if you are in the U.S. when an emergency occurs and a Canadian or Mexican hospital is closer than the nearest U.S. hospital that can provide the care you need; (2) if you live in the U.S. and a Canadian or Mexican hospital is closer to your home than the nearest U.S. hospital which can provide the care you need, regardless of whether or not an emergency exists; or (3) if you are in Canada traveling by the most direct route to or from Alaska and another state and an emergency occurs which requires that you be admitted to a Canadian hospital (this provision does not apply if you are vacationing in Canada).

When Medicare hospital insurance (Part A) covers your inpatient stay in a Canadian or Mexican hospital, your PERS Choice Supplemental Plan medical insurance can cover necessary physician services and any required use of an ambulance.

### Members Who Move Outside the United States

If you move, other than temporarily, outside the United States as defined in the Federal Social Security Act, you are no longer eligible for this Plan. You must change enrollment to a Basic Plan as Medicare does not provide benefits when you are permanently outside the United States. Please contact the Health Benefits Officer at your agency (actives) or the CalPERS Office of Employer and Member Health Services (retirees) as soon as possible to enroll in a Basic Plan and to get a copy of the Basic Plan Evidence of Coverage document. Once you are enrolled under the Basic Plan, all applicable deductibles, copayments, benefit maximums, and exclusions described under the Basic Plan will apply. Any benefits provided under this PERS Choice Supplemental Plan will no longer apply. You will need a copy of the Basic Plan Evidence of Coverage in order to determine what your medical benefits are. You may also visit Anthem Blue Cross' website [www.anthem.com/ca/calpers](http://www.anthem.com/ca/calpers) to access benefit information.

## OUTSIDE THE UNITED STATES

**Foreign Prescription Drug Claims:** There are no Participating Pharmacies outside of the United States. To receive reimbursement for outpatient prescription medications purchased outside the United States, complete a Medco Prescription Drug Claim Form and mail the form along with your pharmacy receipt to Medco Health Solutions, Inc. at P.O. Box 14711, Lexington, KY 14711.

Reimbursement for drugs will be limited to those obtained while living or traveling outside of the United States and will be subject to the same restrictions and coverage limitations as set forth in this Evidence of Coverage document. Excluded from coverage are foreign drugs for which there is no approved U.S. equivalent, experimental or investigational drugs, or drugs not covered by the Plan (e.g., drugs used for cosmetic purposes, drugs for weight loss, etc.). Please refer to the list of covered and excluded drugs outlined in the Outpatient Prescription Drug Program section starting on page 17 and Outpatient Prescription Drug Exclusions section on pages 24-25.

Prescription medication covered by the Plan will be reimbursed at one hundred percent (100%), minus a forty-five dollar (\$45) copayment for a 1-month supply, based on the foreign exchange rate on the date of service.

**Claims must be submitted within twelve (12) months from the date of service.**

## OUTPATIENT PRESCRIPTION DRUG PROGRAM

### Outpatient Prescription Drug Benefits

The Outpatient Prescription Drug Program is administered by Medco. This program will pay for prescription medications which are: (a) prescribed by a licensed prescriber (defined on page 47) in connection with a covered illness, condition, or accidental injury; (b) dispensed by a registered pharmacist, subject to the exclusions listed in the Outpatient Prescription Drug Exclusions on pages 24-25; and (c) approved through the Coverage Management Programs described in the Prescription Drug Coverage Management Programs section on page 23. All prescription medications are subject to clinical drug utilization review when dispensed.

Covered outpatient prescription drugs prescribed by a licensed prescriber in connection with a covered illness or accidental injury and dispensed by a registered pharmacist may be obtained either through the Medco Retail Pharmacy Program or the Medco Mail-Order Program, The Medco Pharmacy.

The Plan's Outpatient Prescription Drug program is designed to save you and the Plan money without compromising safety and effectiveness standards by encouraging you to ask your physician to prescribe generic drugs whenever possible and to also prescribe medications on Medco's Preferred Drug List. Members can still receive any covered medication and your physician still maintains the choice of medication prescribed.

Note: PERS Choice Supplemental Plan coverage under this section is designed to take the place of Medicare voluntary outpatient prescription drug benefits (Part D). If you elect to join a Medicare Part D Prescription Drug Plan (PDP), you will **not** receive any benefits noted in this Evidence of Coverage for PERS Choice Supplemental Plan.

### Copayment Structure

The Plan's incentive copayment structure includes generic, Preferred and Non-Preferred brand-name medications. The Member has an incentive to use generic and Preferred brand-name drugs, and mail-order for maintenance medications. Your copayment will vary depending whether you use retail or mail-order, and whether you select generic, Preferred or Non-Preferred brand-name medications, or whether you refill maintenance medications at the retail pharmacy after the second fill.

The following table shows the copayment structure for the retail pharmacy and mail-order programs:

<b>Participating Retail Pharmacy</b> <small>(short-term use)</small>	<b>Participating Retail Pharmacy Maintenance Medications* filled at Retail Pharmacy after 2nd fill</b> <small>(a maintenance medication* taken longer than 60 days for a long-term or chronic condition)</small>	<b>Mail-Order The Medco Pharmacy</b> <small>(a maintenance medication* taken longer than 60 days for a long-term or chronic condition)</small>

## OUTPATIENT PRESCRIPTION DRUG PROGRAM

\* This program is known as Retail Refill Allowance (RRA). The RRA program is designed to help control costs and make sure you have access to the medications you need. This program targets maintenance medications. A maintenance medication should not require frequent dosage adjustments, and is prescribed for a long-term or chronic condition, such as arthritis, diabetes, and high blood pressure or is otherwise prescribed for long-term use (as an example, birth control). Ask your physician if you will be taking a prescribed medication longer than 60 days. If you continue to refill a maintenance prescription at a retail pharmacy after the second fill, you will be charged a higher copayment, which is the applicable mail-order copayment described above. Please note that all medications can be filled at a retail pharmacy, but long-term medications (medications taken for 60 days or more) will cost more if refilled at a retail pharmacy after the second fill. Members can refill the same medications by mail-order at a cost savings.

### **Examples of common long-term or chronic conditions:**

Birth control  
Hypertension or high blood pressure  
Hyperlipidemia or high cholesterol  
Diabetes

### **Examples of common short-term acute illnesses, injuries or conditions:**

Influenza  
Pneumonia  
Urinary tract infection

\*\*To obtain a partial waiver to purchase a Non-Preferred brand-name drug at a reduced copayment, please refer to the Partial Waiver of Non-Preferred Brand Copayment process as outlined in the Prescription Drug Appeal Procedure on pages 39-40. To obtain a partial copayment waiver, your physician must document the necessity for the non-preferred product vs. the preferred product(s) and the available generic alternative(s).

The copayment applies to each prescription order and to each refill. The copayment is not reimbursable and cannot be used to satisfy any deductible requirement. (Under some circumstances your prescription may cost less than the actual copayment, and you will be charged the lesser amount.)

All prescriptions filled by mail-order will be filled with a FDA-approved bioequivalent generic, if one exists, unless your physician specifies otherwise. A one thousand-dollar (\$1,000) maximum (excluding copayments for Non-Preferred Brand-Name Medications) calendar year copayment (per person) applies to mail-order prescriptions.

**Although Generic Medications (defined on page 45) are not mandatory, the Plan encourages you to purchase generics whenever possible. Generic equivalent medications may differ in color, size, or shape, but the U.S. Food and Drug Administration (FDA) requires that they have the same quality, strength, purity and stability as the Brand-Name Medications (defined on page 44). Prescriptions filled with Generic equivalent medications have lower copayments and also help to manage the increasing cost of health care without compromising the quality of your pharmaceutical care.**

## **Retail Pharmacy Program**

Medication for a short duration, up to a 30-day supply, may be obtained from a Participating Pharmacy by using your PERS Choice Supplemental Plan ID card.

While this program was designed primarily for use in California, there are many Participating Pharmacies outside California that will also accept your PERS Choice Supplemental Plan ID card. At Participating Pharmacies, simply show your ID card and pay either a five dollar (\$5.00) copayment for generic medications, a fifteen dollar (\$15.00) copayment for Preferred brand-name medications, or a forty-five dollar (\$45.00) copayment for Non-Preferred brand-name medications. Non-Preferred brand-name medications can be purchased for a forty dollar (\$40.00) copayment with an approved partial copayment waiver (pages 39-40). If the pharmacy does not accept your ID card and is a Non-Participating Pharmacy (defined on page 46), there is additional cost to you.

## OUTPATIENT PRESCRIPTION DRUG PROGRAM

If you refill a maintenance medication at a retail pharmacy after the second fill, you will be charged a higher copayment, which is the applicable mail-order copayment described above under Copayment Structure.

To find a Participating Pharmacy close to you, simply visit the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers), or contact Medco Member Services at 1-800-939-7091. If you want to utilize a Non-Participating Pharmacy, please follow the procedure for using a Non-Participating Pharmacy described below. For covered medications you take on a long-term basis (60 days or more), use The Medco Pharmacy. For more information on The Medco Pharmacy, see How To Use The Medco Pharmacy on pages 20-22, visit the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers), or call Medco Member Services at 1-800-939-7091.

### How To Use The Retail Pharmacy Program Nationwide

#### Participating Pharmacy

1. Take your prescription to any Participating Pharmacy. To locate a Participating Pharmacy near you, visit the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers) or contact Medco Member Services at 1-800-939-7091.
2. Present your PERS Choice Supplemental Plan ID card to the pharmacist. The pharmacist will fill the prescription for up to a thirty (30) day supply of medication. Verify that the pharmacist has accurate information about you and your covered dependents, including date of birth and gender.
3. You will be required to pay the pharmacist your appropriate copayment for each prescription order or refill. You may be required to sign a receipt for your prescription at the pharmacy.
4. In the event you do not have your ID card prior to going to the pharmacy, contact Medco Member Services at 1-800-939-7091 for assistance with processing your prescription at a Participating Pharmacy. In order to obtain an ID card, you may contact the Anthem Blue Cross Customer Service Department at 1-877-737-7776. If you pay the Participating Pharmacy the full cost of your medication at the time of purchase without presenting your ID card, your reimbursement will be the same as if you had used a Non-Participating Pharmacy. (See example below.)

#### Non-Participating Pharmacy

If you fill medications at a Non-Participating Pharmacy, either inside or outside California, **you will be required to pay the full cost of the medication at the time of purchase.** To receive reimbursement, complete a Medco Prescription Drug Claim Form and mail it to the address indicated on the form. **Claims must be submitted within twelve (12) months from the date of purchase to be covered. Any claim submitted outside the twelve (12) month time period will be denied.**

Payment will be made directly to you. It will be based on the amount that the Plan would reimburse a Participating Pharmacy minus the applicable copayment.

#### Example of Direct Reimbursement Claim for a Preferred Brand-Name Medication

1. Pharmacy charge to you (Retail Charge)	\$ 38.00
2. Minus Medco's Negotiated Network Amount on a Preferred Brand-Name Medication	(\$ 20.00)
3. Amount you pay in excess of allowable amount due to using a Non-Participating Pharmacy or not using your ID Card at a Participating Pharmacy	\$ 18.00
4. Plus your copayment for a Preferred Brand-Name Medication	\$ 15.00
5. Your total out-of-pocket cost would be	\$ 33.00

If you had used your ID Card at a Participating Pharmacy, the Pharmacy would only charge the Plan \$20.00 for the drug, and your out-of-pocket cost would only have been the \$15.00 copayment. Please note that if you paid a higher copayment after your second fill at retail for a maintenance medication, you will not be reimbursed for the higher amount.

As you can see, using a Non-Participating Pharmacy or not using your ID card at a Participating Pharmacy results in substantially more cost to you than using your ID card at a Participating Pharmacy. Under certain circumstances, your copayment amount may be higher than the cost of the medication and no reimbursement would be allowed.

## OUTPATIENT PRESCRIPTION DRUG PROGRAM

**Note:** Covered medications purchased from your physician will be reimbursed under the Non-Participating Pharmacy benefit through Medco.

### Direct Reimbursement Claim Forms

To obtain a Medco Prescription Drug Claim Form and information on Participating Pharmacies, visit the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers) or contact Medco Member Services at 1-800-939-7091.

### Compound Medications

Compound medications, in which two or more ingredients are combined by the pharmacist, are covered by the Plan's Prescription Drug Program if at least one of the active ingredients requires: (a) a prescription; (b) is FDA-approved; and (c) is covered by CalPERS. Only products that are FDA-approved and commercially available will be considered Preferred for purposes of determining copay. The copay for a compounded medication is determined by the most expensive ingredient used for your compounded medication. There are three ways to obtain compounded medications through the Plan's Prescription Drug Program: (1) through The Medco Pharmacy; (2) through a Participating Retail Pharmacy; or (3) from a non-participating compounding pharmacy. Through The Medco Pharmacy, the most you would pay is \$75.00, for a Non-Preferred Brand copay. The Medco Pharmacy provides compounding services for many medications, however; Medco does not compound hormone medications. These compounds must be obtained through a Participating Retail Pharmacy or another compounding pharmacy. At a Participating Retail Pharmacy, the most you would pay is \$45.00, which is the Non-Preferred Brand copay. At a Non-Participating Pharmacy, you will be required to pay the full cost of the medications at the time of purchase, then submit a direct claim for reimbursement. To receive reimbursement, complete a Medco Prescription Drug Claim Form and mail it to the address indicated on the form. An example showing how reimbursement will be determined can be found on page 19.

### Mail-Order Program

Maintenance medication for long-term or chronic conditions may be obtained by mail, for up to a ninety (90) day supply, through Medco's Mail-Order Program, The Medco Pharmacy. Mail-order offers additional savings, specialized clinical care and convenience if you need prescription medication on an ongoing basis. For example:

- **Additional Savings:** You can receive up to a **ninety (90) day supply** of medication for only ten dollars (\$10.00) for each generic medication, twenty-five dollars (\$25.00) for each Preferred brand-name medication, seventy-five dollars (\$75.00) for each Non-Preferred brand-name medication, or seventy dollars (\$70.00) for each Partial Waiver of Non-Preferred Brand Copayment. In addition to out-of-pocket cost savings, you save additional trips to the pharmacy.
- **Convenience:** Your medication is delivered to your home by mail.
- **Security:** You can receive up to a 90-day supply of medication at one time.
- **Specialized clinical care:** Medco has more than 1,100 specialist pharmacists trained in the medications used to treat chronic conditions, such as high cholesterol, high blood pressure, diabetes, coagulation, migraines, arthritis and more. Like a doctor who specializes in your medical condition, a specialist pharmacist offers the expertise that comes from assisting people with conditions and medication needs similar to yours every day.
- **A toll-free customer service number:** Your questions can be answered by contacting a Medco Member Services Representative at 1-800-939-7091.
- **Out-of-pocket maximum:** Your maximum calendar year copayment (per person) through the Mail-Order Program is one thousand dollars (\$1,000). Copayments for Non-Preferred Brand-Name Medications do not apply to your out-of-pocket maximum.

### How To Use The Medco Pharmacy

If you must take medication on an ongoing basis, The Medco Pharmacy is ideal for you. To use this program, just follow these steps:

1. Ask your physician to prescribe maintenance medications for up to a ninety (90) day supply (i.e., if once daily, quantity of 90; if twice daily, quantity of 180; if three times daily, quantity of 270, etc.), plus refills if appropriate.

## OUTPATIENT PRESCRIPTION DRUG PROGRAM

2. Send the following to Medco in the pre-addressed mail-order envelope:
  - a. The original prescription order(s) – **Photocopies are not accepted.**
  - b. A completed The Medco Pharmacy order form. The Medco Pharmacy order form can be obtained by visiting the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers), or by contacting Medco Member Services at 1-800-939-7091 and using the automated phone system or requesting to speak with a customer service representative.
  - c. A check or money order for an amount that covers your copayment for each prescription: \$10 generic, \$25 Preferred brand-name, \$75 Non-Preferred brand-name, or \$70 Partial Waiver of Non-Preferred brand-name copayment. Checks or money orders should be made payable to Medco Health Solutions, Inc. Medco also has a safe, convenient way for you to pay for your orders called e-check. E-check is an electronic funds transfer system that automatically deducts your copayment from your checking account. For more information or to enroll on-line, visit [www.medco.com/calpers](http://www.medco.com/calpers) or call Member Services at 1-800-939-7091. If you prefer to pay for all of your orders by credit card, you may want to join Medco's automatic payment program. You can enroll by visiting the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers) or by calling toll-free 1-800-948-8779.
3. You may also have your physician fax your prescriptions or send them electronically (often called e-prescribing) to Medco.
  - a. To fax prescriptions, your physician may call 1-888-327-9791 for faxing instructions. (Medco can only accept faxes from your physician.)
  - b. To send prescriptions electronically, your physician may enter the prescription on an electronic handheld device or computer.
4. To order your mail-order refill:
  - a. **Use Medco's Web site**  
Visit [www.medco.com/calpers](http://www.medco.com/calpers), your on-line prescription service, to order prescription refills or inquire about the status of your order. You will need to register on the site and log in. When you register you will need the cardholder's ID number which is located on the combined medical and prescription drug ID card.
  - b. **Call Medco's Automated Refill Phone System**  
Medco's automated telephone service gives you a convenient way to refill your prescriptions at any time of the day or night. Call 1-800-939-7091 for Medco's fully automated refill phone service. When you call, be ready to provide the cardholder's ID number, member's year of birth, and your credit card number along with the expiration date.
  - c. **Refill by Mail**  
Order your refill three weeks in advance of your current prescription running out. Refill dates will be included on the prescription label you receive from Medco. Attach the refill label provided with your prescription order to The Medco Pharmacy order form along with your payment. Mail the order form to Medco in the pre-addressed envelope included with your previous shipment.

### How to submit a payment to Medco

You should always submit a payment to Medco when you order prescriptions through The Medco Pharmacy, just as if you were ordering a prescription from a retail pharmacy. Medco accepts the following as types of payment methods:

- eCheck
- Check
- Money Order
- Online Bank Payment

## OUTPATIENT PRESCRIPTION DRUG PROGRAM

- Credit Card - Visa (credit/debit), MasterCard (credit/debit/Benny Card), Discover/NOVUS, American Express(r), Diners Club

If you are concerned about affording your mail service prescriptions, Medco offers a program to help you with your payments called the Extended Payment Plan.

Key program features include:

- Copayments divided into three (3) monthly payments
- 5% Annual Percentage Rate service fee applied to the second and third payments
- Debit and credit cards can be used (No FSA, HSA or HRA cards and no checks)
- Entire prescriptions mailed at time of first monthly charge to credit card
- Enrollment in the program applies to you and any of your dependents eligible to use Medco Pharmacy
- Outstanding balances must be paid off prior to enrollment
- You can join or cancel the program at any time

Medco recommends placing a credit card on file if you will be ordering ongoing prescriptions through The Medco Pharmacy. A credit card can be placed on your account by logging in to your account at [www.medco.com/calpers](http://www.medco.com/calpers), calling customer service or filling out the credit card information on The Medco Pharmacy order form when you mail in your prescription order. If automatic or autocharge is selected, the credit card will automatically be charged every time that a new prescription or refill is ordered under this Member ID. At this time, Medco is only able to retain the information for one credit card per household.

If you have questions regarding The Medco Pharmacy or to find out if your medication is on Medco's Preferred Drug List, visit the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers) or contact Medco Member Services at 1-800-939-7091. All prescriptions received through mail-order will be filled with an FDA-approved bioequivalent generic substitute if one exists, unless your physician specifies otherwise.

### Getting Your Prescriptions Covered By Medicare Part B

Certain medications and supplies (such as diabetes supplies – test strips, meters, syringes) are covered by Medicare Part B. These prescriptions can be filled through a Medicare Part B mail-order pharmacy or at a participating Medicare Part B retail pharmacy. The pharmacy will verify coverage, file your prescription claims with Medicare, and submit your claims to your secondary insurer for coverage by PERS Select, PERS Choice or PERSCare.

**Mail-order pharmacy:** Send your prescriptions to The Medco Pharmacy. Depending on the prescription submitted, your prescription request will be transferred to Medicare Part B participating mail-order pharmacies, Liberty Medical, or Accredo Health Group (Medco's specialty pharmacy). Your medications and supplies will be sent directly to you.

**Retail pharmacy:** Present your Medicare ID card with your prescriptions. Most independent pharmacies and national chains participate in Medicare Part B. Call Medicare Customer Service at **1-800-633-4227** or visit the Medicare website at [www.medicare.gov/supplier/home.asp](http://www.medicare.gov/supplier/home.asp) to locate a retail pharmacy near that is a Medicare Part B participating provider.

## PRESCRIPTION DRUG COVERAGE MANAGEMENT PROGRAMS

### Coverage Management Programs

The Plan's Prescription Drug Coverage Management Programs include a Prior Authorization/Point of Sale Utilization Review Program. Additional programs may be added at the discretion of the Plan.

The Plan may implement additional new programs designed to ensure that medications dispensed to its Members are covered under this Plan. **As new drugs are developed, including generic versions of brand-name drugs, or when drugs receive FDA approval for new or alternative uses, the Plan reserves the right to review the coverage of those drugs or class of drugs under the Plan. The Plan reserves the right to exclude, discontinue or limit coverage of those drugs or class of drugs following such review. Any benefit payments made for a prescription medication shall not invalidate the Plan's right to make a determination to exclude, discontinue or limit coverage of that medication at a later date. The Plan reserves the right to implement programs that allow for Medicare-eligible prescription claims to be filed with Medicare for payment. The Plan may be the secondary payor of these claims.**

The purpose of the Prescription Drug Coverage Management Programs, which are administered by Medco in accordance with the Plan, is to ensure that certain medications are covered in accordance with specific Plan coverage rules.

### Prior Authorization/Point of Sale Utilization Review Program

If your prescription requires a Prior Authorization, the dispensing pharmacist is notified by an automated message before the drug is dispensed. **The dispensing pharmacist may receive a message such as "Plan Limits Exceeded" or "Prior Authorization Required" depending on the drug category.** Your physician should contact Medco to initiate a coverage review and determine if the prescribed medication meets the Plan's approved coverage rules. Approvals for prior authorizations are typically granted for one year; however, the time frame may be greater or less than one year depending on the drug. This process is usually completed within forty-eight (48) hours. You will receive notification from Medco if Prior Authorization is denied. Some drugs that require prior authorization may be subject to a quantity limitation that may differ from the 30-day supply. For example, coverage for erectile dysfunction therapy is allowed for up to eight (8) treatments, doses or units per 30 days.

Please visit the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers), or contact Medco Member Services at 1-800-939-7091 to determine if your drug requires prior authorization.

### Medco's Accredo Specialty Pharmacy Services

Medco's Accredo Specialty Pharmacy offers convenient access and delivery of specialty medications (as defined in this EOC), many of which are injectable, as well as personalized service and educational support. A Medco patient care representative will be your primary contact for ongoing delivery needs, questions, and support.

To obtain specialty medications, you or your physician should call 1-800-803-2523. Medco's Accredo Specialty Pharmacy hours of operation are 5 AM to 8 PM PST, Monday through Friday; however, pharmacists are available for clinical consultation 24 hours a day, 7 days a week.

Please contact Medco's Accredo Specialty Pharmacy at 1-800-803-2523 for specific coverage information.

The Plan reserves the right to lower the days supply amount allowed to a thirty (30) day supply for specialty medications for reasons such as, but not limited to, the following:

- Typical use is short term, intermittent or cyclic
- Quantity restriction suggested by manufacturer
- Therapy modifications (e.g., dose, frequency, discontinuation) is common throughout therapy
- The quantity of drug required for typical supply is large, and appropriate patient storage of extended supplies is often problematic
- The drug is exceptionally costly, and minimizing waste is a high priority

## OUTPATIENT PRESCRIPTION DRUG EXCLUSIONS

The following are excluded under the Outpatient Prescription Drug Program:

1. Drugs not approved by the U.S. Food and Drug Administration (FDA).\*
2. Drugs or medicines obtainable without a licensed prescriber's prescription, often called over-the-counter (OTC) drugs or behind-the-counter (BTC) drugs, except insulin, glucose test strips and Plan B.
3. Contraceptives in the form of condoms, jellies, ointments, foams, or devices (except diaphragms). Intra-uterine devices (IUDs) and time-released subdermal drugs (e.g., Norplant implants) are excluded.
4. Dietary and herbal supplements, minerals, health aids, homeopathics, any product containing a medical food, and any vitamins whether available over the counter or by prescription (e.g., prenatal vitamins), except prescriptions for single agent vitamin D and folic acid.
5. A prescription drug that has an over-the-counter alternative.
6. Anorexiant and appetite suppressants or any other anti-obesity drugs.
7. Anti-dandruff preparations.
8. Laxatives, except as prescribed for diagnostic testing.
9. Supplemental fluorides (e.g., infant drops, chewable tablets, gels and rinses).
10. Charges for the purchase of blood or blood plasma.
11. Hypodermic needles and syringes, except as required for the administration of a covered drug.
12. Non-medical therapeutic devices, durable medical equipment, appliances and supplies, including support garments, even if prescribed by a physician, regardless of their intended use.
13. Drugs which are primarily used for cosmetic purposes rather than for physical function or control of organic disease.
14. Drugs labeled "Caution – Limited By Federal Law to Investigational Use" or non-FDA approved Investigational Drugs. Any drug or medication prescribed for experimental indications.
15. Any drugs prescribed solely for the treatment of an illness, injury or condition that is excluded under the Plan.
16. Any drug or medication which is not legally available for sale within the United States.
17. Any charges for injectable immunization agents, desensitization products or allergy serum, or biological sera, including the administration thereof.
18. Professional charges for the administration of prescription drugs or injectable insulin.
19. Drugs or medicines, in whole or in part, to be taken by, or administered to, a Plan Member while confined in a hospital or skilled nursing facility, rest home, sanatorium, convalescent hospital or similar facility.
20. Drugs and medications dispensed or administered in an outpatient setting (e.g., injectable medications), including, but not limited to, outpatient hospital facilities, and services in the Member's home provided by Home Health Agencies and Home Infusion Therapy Providers.
21. Medication for which the cost is recoverable under any workers' compensation or occupational disease law, or any state or governmental agency, or any other third-party payer; or medication furnished by any other drug or medical services for which no charge is made to the Plan Member.

## OUTPATIENT PRESCRIPTION DRUG EXCLUSIONS

22. Any quantity of dispensed drugs or medicines which exceeds a thirty (30) day supply at any one time, unless obtained through The Medco Pharmacy. Prescriptions filled using The Medco Pharmacy are limited to a ninety (90) day supply of covered drugs or medicines as prescribed by a licensed prescriber.
23. Refills of any prescription in excess of the number of refills specified by a licensed prescriber.
24. Any medication dispensed more than one (1) year following the date of the licensed prescriber's prescription order.
25. Any charges for special handling and/or shipping costs incurred through a Participating Pharmacy, a Non-Participating Pharmacy, or the mail-order pharmacy.
26. Any quantity of dispensed medications that is deemed inappropriate as determined through Medco's coverage management programs.
27. Any charges to injectable immunization agents, desensitization products or allergy serum, or biological sera, including the administration thereof.
28. Compounded medications if: (1) there is a medically appropriate Formulary alternative, or, (2) the compounded medication contains any ingredient not approved by the FDA. Compounded medications that do not include at least one Prescription Drug, as defined on page 48, are not covered.
29. Replacement of lost, stolen or destroyed prescription drugs.

\*Drugs awarded DESI (Drug Efficacy Study Implementation) Status by the FDA were approved between 1938 and 1962 when drugs were reviewed on the basis of safety alone; efficacy (effectiveness) was not evaluated. The FDA allows these products to continue to be marketed until evaluations of their effectiveness have been completed. DESI drugs may continue to be covered under the CalPERS outpatient pharmacy benefit until the FDA has ruled on the approval application.

### Services Covered By Other Benefits

When the expense incurred for a service or supply is covered under another benefit section of the Plan, it is not a Covered Expense under the Outpatient Prescription Drug Program benefit.

## BENEFIT LIMITATIONS, EXCEPTIONS AND EXCLUSIONS

Services covered under this Supplement to Original Medicare Plan must be covered by Medicare. Except for vision care benefits, hearing aid services, smoking cessation programs, and outpatient prescription drug benefits, any services or supplies that are not covered by Medicare are excluded under this Plan. (See also Vision Care Benefit Exclusions on page 14, Hearing Aid Benefit Exclusions on page 11, and Outpatient Prescription Drug Exclusions on pages 24-25.)

The title of the exclusion is not intended to be fully descriptive of the exclusion; rather, it is provided solely to assist the Plan Member to easily locate particular items of interest or concern. Remember that a particular condition may be affected by more than one exclusion.

Under no circumstances will this Plan be liable for payment of costs incurred by a Plan Member for treatment deemed by CalPERS or its Plan administrators to be experimental or investigational or otherwise not eligible for coverage.

### General Exclusions

Benefits of this Plan are not provided for, or in connection with\*, the following:

1. **Benefit Substitution/Flex Benefit/In Lieu Of.** Any program, treatment, service, or benefit cannot be substituted for another benefit or non-existing benefit. For example, a Member may not receive home health care benefits in lieu of an admission to a skilled nursing facility.
2. **Close-Relative Services.** Charges for services performed by a close relative or by a person who ordinarily resides in the Plan Member's home.
3. **Excess Charges.** Any expense incurred for services of a physician or other health care provider in excess of Plan benefits.
4. **Experimental or Investigational Practices or Procedures.** Experimental or investigational practices or procedures, and services in connection with such practices or procedures.

Costs incurred for any treatment or procedure deemed by the Plan to be experimental or investigational, as defined on page 45, are not covered.

5. **Government-Provided Services.** Any services provided by a local, state or federal government agency, unless reimbursement by this Plan for such services is required by state or federal law.
6. **Nicotine Addiction.** Any programs, services, or devices related to the treatment of nicotine addiction, except as specifically provided in the Smoking Cessation Program benefit description.
7. **Non-Listed Benefits.** Services not specifically listed as benefits or not reasonably medically linked to or connected with listed benefits, whether or not prescribed by a physician or approved by Medicare.
8. **Self-injectable drugs.** Injectable drugs which are self-administered by the subcutaneous route (under the skin) by the patient or family member. Drugs with Food and Drug Administration (FDA) labeling for self-administration. Hypodermic syringes and/or needles when dispensed for use with self-injectable drugs or medications. Self-injectable drugs are covered under your Outpatient Prescription Drug Program.
9. **Telephone, Facsimile Machine, and E-mail Consultations.** Telephone, facsimile machine, and electronic mail consultations for any purpose, whether between the physician or other health care provider and the Member or Member's family, or involving only physicians or other health care providers.

---

\* The phrase "in connection with" means any medical condition associated with an excluded medical condition (i.e., an integral part of the excluded medical condition or derived from it).

## BENEFIT LIMITATIONS, EXCEPTIONS AND EXCLUSIONS

- 10. Voluntary Payment of Non-Obligated Charges.** Services for which the Plan Member is not legally obligated to pay, or services for which no charge is made to the Plan Member in the absence of health plan coverage, except services received at a non-governmental charitable research hospital. Such a hospital must meet the following guidelines:
- a. It must be internationally known as being devoted mainly to medical research, and
  - b. At least ten percent (10%) of its yearly budget must be spent on research not directly related to patient care, and
  - c. At least one-third of its gross income must come from donations or grants other than gifts or payments for patient care, and
  - d. It must accept patients who are unable to pay, and
  - e. Two-thirds of its patients must have conditions directly related to the hospital's research.
- 11. War.** Conditions caused by war, whether declared or undeclared.
- 12. Workers' Compensation, Services Covered By.** Services incident to any injury or disease arising out of, or in the course of, any employment for salary, wage or profit if such injury or disease is covered by any workers' compensation law, occupational disease law or similar legislation. However, if the Plan provides payment for such services, it shall be entitled to establish a lien upon such other benefits up to the amount paid by the Plan for the treatment of the injury or disease.

### Medical Necessity Exclusion

The fact that a physician or other provider may prescribe, order, recommend, or approve a service, supply or hospitalization does not, in itself, make it medically necessary or make the charge an allowable expense, even though it is not specifically listed as an exclusion or limitation. The Plan reserves the right to review all claims to determine if a service, supply, or hospitalization is medically necessary. The Plan may limit the benefits for those services, supplies or hospitalizations that are not medically necessary.

### Limitations Due to Major Disaster or Epidemic

In the event of any major disaster or epidemic, Physician Members shall render or attempt to arrange for the provision of covered services insofar as practical, according to their best judgment, within the limitations of such facilities and personnel as are then available; but neither the Plan, Anthem Blue Cross nor Physician Members have any liability or obligation for delay or failure to provide any such services due to lack of available facilities or personnel if such lack is the result of such disaster or epidemic.

## CONTINUATION OF COVERAGE

### Continuation of Group Coverage

Eligibility for Continuation of Group Coverage under the PERS Choice Supplemental Plan is dependant upon your employer's participation in the CalPERS Health Benefits Program. If an employer terminates participation in the CalPERS Health Benefits Program, an active or retired employee currently enrolled in COBRA or CalCOBRA will have the option to convert to an individual plan (see Individual Conversion Plan on pages 30-31) or may choose to continue coverage under COBRA or CalCOBRA with the group health plan providing health care coverage to the employer. A participant in COBRA or CalCOBRA may not continue coverage under the PERS Choice Supplemental Plan if the employer ceases to participate in the CalPERS Health Benefits Program.

Please examine your options carefully before declining this continuation of coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in a higher premium or you could be denied coverage entirely.

### Consolidated Omnibus Budget Reconciliation Act (COBRA)

The Consolidated Omnibus Budget Reconciliation Act (COBRA) continuation of group coverage is provided through federal legislation and allows an enrolled active or retired employee or his or her enrolled family members who lose their regular group coverage because of certain qualifying events to elect continuation of coverage for eighteen (18), twenty-nine (29) or thirty-six (36) months.

An eligible active or retired employee or his or her family member(s) is entitled to elect this coverage provided an election is made within sixty (60) days of notification of eligibility and the required premiums are paid. The benefits of the continuation of coverage are identical to the group Plan, and the cost of coverage may not exceed one hundred and two percent (102%) of the applicable group premiums rate, except for the employee or enrolled family member who is eligible to continue group coverage to twenty-nine (29) months because of entitlement to Social Security disability benefits. In this case, the cost of coverage for months nineteen (19) through twenty-nine (29) shall not exceed one hundred and fifty percent (150%) of the applicable group premiums rate. No employer contribution is available to cover the premiums.

#### **Qualifying Events**

Two qualifying events allow employees to request the continuation of coverage for eighteen (18) months: (This coverage may be continued for up to twenty-nine (29) months for an employee that is federally recognized disabled.)

1. the covered employee's separation from employment (other than by reason of gross misconduct);
2. reduction in the covered employee's work hours to less than half-time (or a permanent intermittent employee not working the required hours during a control period).

The following five qualifying events allow enrolled family member(s) to elect the continuation of coverage for up to thirty-six (36) months:

1. the active employee's or retired employee's death (and the surviving family member is not eligible for a monthly survivor allowance from CalPERS);
2. the divorce or legal separation of the covered spouse from the active employee or retired employee;
3. the termination of a domestic partnership, defined in Government Code Section 22771;
4. the primary COBRA subscriber becomes entitled to Medicare;
5. a dependent child ceases to be a dependent child.

Children born to or placed for adoption with the Plan Member during a COBRA continuation period may be added as dependents, provided the employer is properly notified of the birth or placement for adoption, and such children are enrolled within 30 days of the birth or placement for adoption.

## CONTINUATION OF COVERAGE

### ***Effective Date of the Continuation of Coverage***

If elected, COBRA continuation of coverage is effective on the date coverage under the group Plan terminates.

### ***Termination of Continuation of Group Coverage***

The COBRA continuation of coverage will remain in effect for the specified period of time, or until any one of the following events terminates the coverage:

1. termination of all employer-provided group health plans; or
2. the enrollee fails to pay the required premiums on a timely basis; or
3. the enrollee, after electing COBRA, becomes covered under another group health plan that does not include a pre-existing condition exclusion or limitation; or
4. the continuation of coverage was extended to twenty-nine (29) months and there has been a final determination that the enrollee is no longer federally recognized disabled.

### ***Notification of a Qualifying Event***

You will receive notice of your eligibility for COBRA continuation of coverage from your employer if your employment is terminated or your number of work hours is reduced.

The active employee, retired employee, or affected family member is responsible for requesting information about COBRA continuation of coverage in the event of divorce, legal separation, termination of domestic partnership, or a dependent child's loss of eligibility.

Contact your employing agency (former) or CalPERS directly if you need more information about your eligibility for COBRA continuation of coverage.

## **CalCOBRA Continuation of Group Coverage**

COBRA enrollees who became eligible for federal COBRA coverage on or after January 1, 2003, and have exhausted their 18 month or 29 month maximum continuation coverage available under federal COBRA provisions may be eligible to further continue coverage for medical benefits under the California COBRA Program (CalCOBRA) for a maximum period of thirty-six (36) months from the date the Plan Member's federal COBRA coverage began.

### ***Qualifying Events***

COBRA enrollees must exhaust all the COBRA coverage to which they are entitled before they can become eligible to continue coverage under CalCOBRA.

### ***Notification Requirements***

You will receive notice from Anthem Blue Cross of your right to possibly continue coverage under CalCOBRA within 180 days prior to the date your federal COBRA will end. To elect CalCOBRA coverage, you must notify Anthem Blue Cross in writing within 60 days of the date your coverage under federal COBRA ends or the date of notification of eligibility, if later.

### ***Effective Date of CalCOBRA Continuation of Coverage***

If elected, this continuation will begin after the federal COBRA coverage ends and will be administered under the same terms and conditions as if COBRA had remained in force.

### ***Premiums***

Premiums for this continuation coverage may not exceed:

1. one hundred and ten percent (110%) of the applicable group premiums rate if coverage under federal COBRA ended after 18 months; or

## CONTINUATION OF COVERAGE

2. one hundred and fifty percent (150%) of the applicable group premiums rate if coverage under federal COBRA ended after 29 months.

The first payment is due along with the enrollment form within 45 days after electing CalCOBRA continuation coverage. This payment must be sent to Anthem Blue Cross at P.O. Box 629, Woodland Hills, CA 91365-0629 by certified mail or other reliable means of delivery, in an amount sufficient to pay any required premiums and premiums due. Failure to submit the correct amount within this 45-day period will disqualify the former employee or family member from receiving continuation coverage under CalCOBRA. Succeeding premiums are due on the first day of each following month.

The amount of monthly premiums may be changed by Anthem Blue Cross as of any premiums due date. Anthem Blue Cross will provide enrollees with written notice at least 30 days prior to the date any increase in premiums goes into effect.

### ***Termination of CalCOBRA Continuation of Coverage***

This CalCOBRA continuation of coverage will remain in effect for the specified period of time, or until any one of the following events automatically terminates the coverage:

1. the employer ceases to maintain any group health plan; or
2. the enrollee fails to pay the required premiums on a timely basis; or
3. the enrollee becomes covered under any other health plan that does not include an exclusion or limitation relating to a pre-existing condition that the enrollee has; or
4. the enrollee becomes entitled to Medicare; or
5. the enrollee becomes covered under a federal COBRA continuation; or
6. the enrollee moves out of Anthem Blue Cross' service area; or
7. the enrollee commits fraud.

In no event will continuation of group coverage under COBRA, CalCOBRA or a combination of COBRA and CalCOBRA be extended for more than three (3) years from the date the qualifying event has occurred which originally entitled the Plan Member to continue group coverage under this Plan. A Plan Member whose continuation of group coverage is terminated or expires under the group continuation plan may be eligible to enroll in an individual conversion plan described below.

### **Individual Conversion Plan**

Regardless of age, physical condition or employment status, you and your enrolled dependents may transfer to an individual conversion plan being issued by Anthem Blue Cross at the time enrollment is terminated, other than by voluntary cancellation or failure to continue enrollment or to make contributions while in a non-pay status. The individual conversion plan will also be available to a Plan Member whose continuation of group coverage expires under the group continuation plan. The group continuation plan under COBRA or CalCOBRA must have been elected and exhausted in order for the Plan Member to continue coverage under the Individual Conversion Plan.

However, if this Plan is replaced by your employer with another Plan, transfer to the Anthem Blue Cross conversion plan will not be permitted.

Applications for the conversion plan must be received by Anthem Blue Cross within sixty-three (63) days from the date coverage under the PERS Choice Supplemental Plan is terminated.

To request an application, write to:

Anthem Blue Cross  
P.O. Box 9153  
Oxnard, CA 93031-9153

## CONTINUATION OF COVERAGE

Benefits and rates of individual conversion plans will be different from those provided under the PERS Choice Supplemental Plan, and the premiums will usually be greater than the PERS Choice Supplemental Plan.

An individual conversion plan is also available to:

- Family members in the event of the employee's death;
- Children upon marrying or attaining age twenty-three (23) while enrolled under the PERS Choice Supplemental Plan;
- Family members of a subscriber who enters military service;
- The spouse of a Plan Member whose marriage has terminated
- The domestic partner of a subscriber whose domestic partnership has been terminated.

When a child reaches age twenty-three (23), or if a family member becomes ineligible for any other reason given above, it is your responsibility to inform Anthem Blue Cross. Upon receiving notification, Anthem Blue Cross will offer such family member an individual conversion plan.

### Benefits After Termination

1. In the event the Plan is terminated by the CalPERS Board of Administration or by the PERS Choice Supplemental Plan, the PERS Choice Supplemental Plan shall provide an extension of benefits for a Plan Member who is totally disabled at the time of such termination, subject to the following provisions:
  - a. For the purpose of this benefit, a Plan Member is considered totally disabled (1) when confined in a hospital or skilled nursing facility or confined pursuant to an alternative care arrangement; (2) when, as a result of accidental injury or disease, prevented from engaging in any occupation for compensation or profit or prevented from performing substantially all regular and customary activities usual for a person of the Plan Member's age and family status; or (3) when diagnosed as totally disabled by the Plan Member's physician and such diagnosis is accepted by the PERS Choice Supplemental Plan.
  - b. The services and benefits under this Plan shall be furnished solely in connection with the condition causing such total disability and for no other condition not reasonably related to the condition causing the total disability, illness or injury. Services and benefits of this Plan shall be provided only when written certification of the total disability and the cause thereof has been furnished to Anthem Blue Cross by the Plan Member's physician within thirty (30) days from the date the coverage is terminated. Proof of continuation of the total disability must be furnished by the Plan Member's physician not less frequently than at sixty (60) day intervals during the period that the termination services and benefits are available.

Extension of coverage shall be provided for the shortest of the following periods:

- Until the total disability ceases;
  - For a maximum period of twelve (12) months after the date of termination, subject to the PERS Choice Supplemental Plan maximums; or
  - Until the Plan Member's enrollment under any replacement hospital or medical plan without limitation to the disabling condition.
2. If on the date a Plan Member's coverage terminates for reasons other than termination of the Plan by the CalPERS Board, by the PERS Choice Supplemental Plan, or by voluntary cancellation, and the date of such termination of coverage occurs during the Plan Member's certified confinement in a hospital or skilled nursing facility or alternative care arrangement, the services and benefits of this Plan shall be furnished solely in connection with the conditions causing such confinement. Extension of coverage shall be provided for the shortest of the following periods:
    - For a maximum period of ninety-one (91) days after such termination; or
    - Until the Plan Member can be discharged from the hospital or skilled nursing facility as determined by the PERS Choice Supplemental Plan; or
    - Until the Plan's maximum benefits are paid.

## GENERAL INFORMATION

### Request for Additional Information

A questionnaire will be sent to you annually regarding other health care coverage or Medicare coverage. A questionnaire regarding third-party liability will be sent to you following Anthem Blue Cross' receipt of any claim which appears to be the liability or legal responsibility of a third party. Your cooperation in returning the form promptly will provide Anthem Blue Cross with information necessary to process your claim. If another carrier has the primary responsibility for claims payment, submit a copy of the other carrier's Explanation of Benefits with the itemized bill from the provider of service. **Anthem Blue Cross cannot process your claim without this information.**

### Payment to Providers—Assignment of Benefits

The benefits of this Plan will be paid directly to Preferred Providers and medical transportation providers. Also, Non-Preferred Providers and other providers of service will be paid directly when you assign benefits in writing.

## LIABILITIES

### Third-Party Liability

If a Plan Member receives medical services covered by the PERS Choice Supplemental Plan for injuries caused by the act or omission of another person (a "third party"), the Plan Member agrees to:

1. promptly assign his or her rights to reimbursement from any source for the costs of such covered services; and
2. reimburse the PERS Choice Supplemental Plan, to the extent of benefits provided, immediately upon collection of damages by him or her for such injury from any source, including any applicable automobile uninsured or underinsured motorist coverage, whether by action of law, settlement, or otherwise; and
3. provide the PERS Choice Supplemental Plan with a lien, to the extent of benefits provided by the PERS Choice Supplemental Plan, upon the Plan Member's claim against or because of the third party. The lien may be filed with the third party, the third party's agent, the insurance company, or the court; and
4. the release of all information, medical or otherwise, which may be relevant to the identification of and collection from parties responsible for the Member's illness or injury; and
5. notify Anthem Blue Cross of any claims filed against a third party for recovery of the cost of medical services obtained for injuries caused by the third party; and
6. cooperate with CalPERS and Anthem Blue Cross in protecting the lien rights of the PERS Choice Supplemental Plan against any recovery from the third party; and
7. obtain written consent from CalPERS prior to settling any claim with the third party that would release the third party from the lien or limit the rights of the PERS Choice Supplemental Plan to recovery.

Pursuant to Government Code section 22947, a PERS Choice Supplemental Plan Member (or his/her attorney) must immediately notify the Plan, via certified mail, of the existence of any claim or action against a third party for injuries allegedly caused by the third party. Notices of third party claims and actions must be sent to:

PERS Choice Supplemental Plan  
Anthem Blue Cross  
P.O. Box 60007  
Los Angeles, CA 90060-0007

The PERS Choice Supplemental Plan has the right to assert a lien for costs of health benefits paid on behalf of a Plan Member against any settlement with, or arbitration award or judgment against, a third party. The PERS Choice Supplemental Plan will be entitled to collect on its lien even if the amount you or anyone recovered for you (or your estate, parent or legal guardian) from or for the account of such third party as compensation for the injury, illness or condition is less than the actual loss you suffered.

### Plan Member Liability When Payment is Made by the PERS Choice Supplemental Plan

When covered services have been rendered by a Preferred Provider or Participating Pharmacy and payment has been made by the PERS Choice Supplemental Plan, the Plan Member is responsible only for any applicable deductible and/or copayment. However, if covered services are provided by a Non-Preferred Provider or non-Participating Pharmacy, the Plan Member is responsible for any amount the PERS Choice Supplemental Plan does not pay.

When a benefit specifies a maximum payment and the Plan's maximum has been paid, the Plan Member is responsible for any charges above the benefit maximum, regardless of the status of the provider who renders the services.

## **LIABILITIES**

### **In the Event of Insolvency of the PERS Choice Supplemental Plan**

If the PERS Choice Supplemental Plan should become insolvent and no payment, or partial payment, is made for covered services, the Plan Member is responsible for any charges incurred, regardless of status of the provider who renders the services. Providers may bill the Member directly and the Member will have no recourse against the California Public Employees' Retirement System, its officers, or employees for reimbursement of his or her expenses.

### **Plan Liability for Provider Services**

In no instance shall the Plan or Anthem Blue Cross be liable for negligence, wrongful acts or omissions of any person, physician, hospital, or hospital employee providing services.

### **Maintenance of Preferred Provider Reimbursement Levels**

If a Preferred Provider breaches or terminates its contract with Anthem Blue Cross for Preferred Provider services, the PERS Choice Supplemental Plan may, based upon medical necessity, approve continuation of care at the Preferred Provider level of reimbursement. Upon the PERS Choice Supplemental Plan's approval, reimbursement shall be made at the Preferred Provider level of reimbursement and the balance will be the obligation of the Plan Member.

In the event that a Preferred Provider is unwilling or unable to provide continuing care to a Plan Member, then it shall be the responsibility of the Plan Member to choose an alternative provider and to determine the Preferred Provider status of that provider.

## COORDINATION OF BENEFITS

Coordination of Benefits provides maximum coverage for medical and hospital bills at the lowest cost by avoiding excessive payments. A Plan Member who is covered under more than one group plan will not be permitted to make a “profit” by collecting benefits on any claim in excess of the billed amount. Benefits will be coordinated between the plans to provide appropriate payment, not to exceed 100% of the Allowable Amount.

**This Coordination of Benefits section will apply only to Vision Care Benefits, Hearing Aid Services and Smoking Cessation Programs. This Coordination of Benefits section will NOT apply to the Outpatient Prescription Drug Program. For the Outpatient Prescription Drug Program, refer to the Prescription Drug Coverage Management Programs section on page 23.**

Anthem Blue Cross will send you a questionnaire annually regarding other health care coverage or Medicare coverage. ***You must provide this information to Anthem Blue Cross within 30 calendar days.*** If you do not respond to the questionnaire, claims will be denied or delayed until Anthem Blue Cross receives the information. You may provide the information to Anthem Blue Cross in writing or by telephoning Customer Service.

(The meanings of key terms used in these Coordination of Benefits provisions are shown on the next page under Definitions.)

### Effect on Benefits

If this Plan is determined to be the primary carrier, this Plan will provide its benefits in accordance with the plan design and without reductions due to payments anticipated by a secondary carrier. Physician Members and other Preferred Providers may request payment from the secondary carrier for any difference between their Billed Charges and this Plan's payment.

If the other carrier has the primary responsibility for claims payment, your claim submission under this Plan must include a copy of the primary carrier's Explanation of Benefits together with the itemized bill from the provider of service. Your claim cannot be processed without this information. HMO plans often provide benefits in the form of health care services within specific provider networks and may not issue an Explanation of Benefits for covered services. If the primary carrier does not provide an Explanation of Benefits, you must submit that plan's official written statement of the reason for denial with your claim.

When this Plan is the secondary carrier, its benefits may be reduced so the combined benefit payments and services of all the plans do not exceed 100% of the Allowable Amount. The benefit payment by this Plan will never be more than the sum of the benefits that would have been paid if you were covered under this Plan only.

If this Plan is a secondary carrier with respect to a Plan Member and Anthem Blue Cross is notified that there is a dispute as to which plan is primary, or that the primary carrier has not paid within a reasonable period of time, this Plan will provide the benefits that would have been paid if it were the primary carrier, **only** when the Plan Member:

1. Assigns to this Plan the right to receive benefits from the other plan to the extent that this Plan would have been obligated to pay as secondary carrier, **and**
2. Agrees to cooperate fully in obtaining payment of benefits from the other plan, **and**
3. Allows Anthem Blue Cross to obtain confirmation from the other plan that the benefits claimed have not previously been paid.

### Order of Benefits Determination

When the other plan does not have a Coordination of Benefits provision, it will always be the primary carrier. Otherwise, the following rules determine the order of benefit payments:

1. A plan which covers the Plan Member as other than a dependent shall be the primary carrier.

## COORDINATION OF BENEFITS

2. When a plan covers a dependent child whose parents are not separated or divorced, and each parent has a group plan which covers the dependent child, the plan of the parent whose birthdate (excluding year of birth) occurs earlier in the calendar year shall be primary carrier. If either plan does not have the birthday rule provision of this paragraph regarding dependent children, primary carrier shall be determined by the plan that does not include this provision.
3. When a claim involves expenses for a dependent child whose parents are separated or divorced, plans covering the child as a dependent will determine their respective benefits in the following order:
  - a. the plan of the parent with custody of the child;
  - b. if the custodial parent has remarried, the plan of the stepparent married to the parent with custody of the child;
  - c. the plan of the noncustodial parent without custody of the child;
  - d. if the noncustodial parent has remarried, the plan of the stepparent married to the parent without custody of the child.
4. Regardless of paragraph 3 above, if there is a court decree that otherwise establishes a parent's financial responsibility for the medical, dental, or other health-care expenses of the child, then the plan which covers the child as a dependent of that parent shall be the primary carrier.
5. If the above rules do not apply, the plan which has covered the Plan Member for the longer period of time shall be the primary carrier, except for:
  - a. A plan covering a Plan Member as a laid-off or retired employee or the dependent of a laid-off or retired employee will determine its benefits after any other plan covering that person as other than a laid-off or retired employee or their dependent (This does not apply if either plan does not have a provision regarding laid-off or retired employees.); or
  - b. Two plans that have the same effective date will split Allowable Expense equally between the two plans.

### Definitions

**Allowable Expense** — A charge for services or supplies which is considered covered in whole or in part under at least one of the plans covering the Plan Member.

**Explanation of Benefits** — The statement sent to an insured by their health insurance company listing services provided, amount billed, eligible expenses and payment made by the health insurance company. HMO plans often provide health care services for members within specific provider networks and may not provide an Explanation of Benefits for covered services.

**Other Plan** — Any blanket or franchise insurance coverage, group service plan contracts, group practice or any other prepayment coverage on a group basis, any coverage under labor-management trustees plans, union welfare plans, employer organization plans, employee benefit organization plans, or Medicare.

**Primary Carrier** — A plan which has primary responsibility for the provision of benefits according to the "Order of Benefit Determination" provisions above and will have its benefits determined first without regard to the possibility that another plan may cover some expenses.

**Secondary Carrier** — A plan which has secondary responsibility for the provision of benefits according to the "Order of Benefit Determination" provisions above and may reduce its benefit payments after the primary carrier's benefits are determined first.

## MEDICAL CLAIMS APPEAL PROCEDURE

The procedures outlined below are designed to ensure the Plan Member full and fair consideration of complaints submitted to the Plan. The procedures should be followed carefully and in the order listed.

Claims for payment must be submitted to Anthem Blue Cross within ninety (90) days after the date of the medical service, if reasonably possible, but in no event, except for the absence of legal capacity, may claims be submitted later than fifteen (15) months from the date of service or payment will be denied.

The following procedures shall be used to resolve any dispute which results from any act, error, or omission with respect to any **medical claim** filed by or on behalf of a Plan Member.

The cost of copying and mailing medical records required for Anthem Blue Cross to review its determination is the responsibility of the person or entity requesting the review.

### Medicare Denied Claims

#### 1. Notice of Claim Denial

This Plan supplements the benefits paid by Medicare. If a medical claim has been denied by Medicare, the supplemental payment through this Plan will also be denied, as secondary payment by this Plan is dependent upon Medicare's primary payment. Anthem Blue Cross will notify the Plan Member of such denial in writing. The Anthem Blue Cross notice shall contain the reason for the denial.

#### 2. Claim Denial due to Medicare Denial

You may appeal the Medicare determination with Medicare if the Medicare claim is denied. Your appeal rights are detailed on the back of the Medicare Summary Notice form that is mailed to you. If, after the appeal process is completed, you receive notification from Medicare that the claim has been paid, this Plan will pay any covered supplemental benefits.

### Claim Denials Under Your Vision Care Benefits, Hearing Aid Services or Smoking Cessation Programs

#### 1. Notice of Claim Denial

In the event any claim for benefits is denied, in whole or in part, Anthem Blue Cross shall notify the Plan Member of such denial in writing. The notice shall contain specific reasons for such denial and an explanation of the Plan's review and appeal procedure.

#### 2. Objection to Claim Processing or Denial

An aggrieved Plan Member may object by writing to Anthem Blue Cross' Customer Service Department within sixty (60) days of the discovery of any act, error, or omission with regard to a properly submitted claim; or within sixty (60) days of receipt of a notice of claim denial. The objection must set forth all reasons in support of the proposition that an act, error, or omission occurred.

#### 3. Time Limits for Response to Objection

Anthem Blue Cross will acknowledge receipt of a complaint by written notice to the Member within twenty (20) days. Anthem Blue Cross will then either affirm or resolve the denial within thirty (30) days. If the case involves an imminent threat to the Member's health, including, but not limited to, the potential loss of life, limb, or major bodily function, review of the grievance will be expedited.

If Anthem Blue Cross affirms the denial or fails to respond within thirty (30) days after receiving the request for review and the Member still objects to an act, error, or omission as stated above, the Member may proceed to item 4 on the next page.

## MEDICAL CLAIMS APPEAL PROCEDURE

### **4. Request for Reconsideration**

If the Plan Member is not satisfied with the response to the initial inquiry, he or she may request reconsideration within sixty (60) days of receiving notice of Anthem Blue Cross' response. The request should be submitted in writing to the Customer Service Department. Any additional information that would affect the decision should be included. Anthem Blue Cross will acknowledge receipt of a reconsideration request by written notice to the Member within twenty (20) days. Anthem Blue Cross will then either affirm or resolve the denial within thirty (30) days.

### **5. Request for Administrative Review**

If the Plan Member is not satisfied with the response to the Request for Reconsideration, he or she may request a final administrative determination from CalPERS within thirty (30) days using the procedure set forth on pages 41-42.

## PREScription DRUG APPEAL PROCEDURE

Medco manages both the administrative and clinical prescription drug appeals process for CalPERS. If you wish to request a coverage determination, you may contact Medco's Member Services at 1-800-939-7091, and they will provide you with instructions and the necessary forms to begin the process. Your request for a coverage determination must be made in writing to Medco. The written response you will receive back is known as an **initial determination**. When you receive this information, it will tell you how to appeal the initial determination in writing to Medco if you are not satisfied with the response. That appeal is a **first level appeal**. If the first level appeal is denied, you may then appeal a second time in writing and provide additional information for consideration. That is called a **second level appeal**. If the second level appeal is also denied by Medco, then you may pursue a **final voluntary administrative review** directly with CalPERS. The detailed information for the process is described below.

### 1. Denial of a Drug Requiring Approval Through Coverage Management Programs

You may request a second level of appeal for each medication denied through Coverage Management programs within one-hundred eighty (180) days from the postmark date of the notice of Initial Benefit Denial sent by Medco. Appeals should be directed to:

Medco Health Solutions, Inc.  
8111 Royal Ridge Pkwy  
Irving, TX 75063

If you are dissatisfied with the second level determination made by Medco, you may request a final administrative review from CalPERS within thirty (30) days of receipt of your appeal denial letter by following the procedure set forth in the CalPERS Final Administrative Determination Procedure section on pages 41-42.

### 2. Partial Waiver of Non-Preferred Brand Copayment

You may request a partial waiver of the Non-Preferred brand-name medication copayment through Medco's first level appeals process by obtaining a letter from your physician that clearly attests to the necessity for the non-preferred product vs. the preferred product or available generic alternative. The physician's letter should document the reason(s) for the waiver as one or more of the following:

- The Member has not tolerated a preferred alternative (e.g. adverse reaction, allergy or sensitivity).
- The Member has failed an adequate trial (duration of at least two weeks) with a preferred alternative.
- The Member is already stable on the non-preferred drug, and transitioning to a preferred alternative would pose a clinical risk to the Member.

Submit your request for a partial waiver to:

Medco Health Solutions, Inc.  
8111 Royal Ridge Pkwy  
Irving, TX 75063

Medco's coverage management staff will carefully review your waiver request, and you will be notified in writing of the outcome of your first level appeal. If the partial waiver request is approved, the Non-Preferred brand-name medication copayment will be partially waived, and you will be charged the Partial Waiver of Non-Preferred brand-name medication copayment for that specific Non-Preferred product for one year from the date of approval (see chart on page 17). If you wish to continue to receive the partial waiver at the end of the one year approval period, you will need to make a new request using the process noted above. To avoid paying an increased copayment, it is suggested that you submit your new request 30 days prior to the expiration of the previous approval.

Failure to attest to a supportable medical need for a Non-Preferred brand-name medication will result in denial of the partial waiver request. You may submit a second level appeal and provide additional information from your physician documenting the medical necessity of the Non-Preferred brand-name medication.

## **PRESCRIPTION DRUG APPEAL PROCEDURE**

If you are dissatisfied with the determination made by Medco after a second level appeal, you may request a final administrative review from CalPERS within thirty (30) days of receipt of your appeal denial letter using the procedure set forth in the CalPERS Final Administrative Determination Procedure section on pages 41-42.

The Plan reserves the right to periodically re-evaluate the medical necessity of the partial waiver of the Non-Preferred Brand copayment. As part of this review, you may be required to submit information from your physician to support the continued necessity for the Non-Preferred Brand drug. Failure to submit this documentation in a timely manner can result in repeal of the partial waiver of the Non-Preferred Brand copayment, and you will be charged the applicable Non-Preferred Brand copayment.

### **3. All Denials of Direct Reimbursement Claims**

Some direct reimbursement claims for prescription drugs are not payable when first submitted to Medco. If Medco determines that a claim is not payable in accordance with the terms of the Plan, Medco will notify the Plan Member in writing explaining the reason(s) for nonpayment.

If the claim has erroneous or missing data that may be needed to properly process the claim, the Member may be asked to resubmit the claim with complete information to Medco. If after resubmission, the claim is determined to be payable in whole or in part, Medco will take necessary action to pay the claim according to established procedures. If the claim is still determined to be not payable in whole or in part after resubmission, Medco will inform the Plan Member in writing of the reason(s) for denial of the claim.

If you are dissatisfied with the second level determination made by Medco, you may request a final administrative review from CalPERS within thirty (30) days of your receipt of the denial letter using the procedure set forth in the CalPERS Final Administrative Determination Procedure section on pages 41-42.

## CalPERS FINAL ADMINISTRATIVE DETERMINATION PROCEDURE

If the Plan Member remains dissatisfied after the appeal procedures of the appropriate third-party administrator have been exhausted, the Member may appeal to the Board. This appeal must be submitted in writing to CalPERS within thirty (30) days from the postmark date of the administrator's final determination.

The appeal must be mailed to:

CalPERS Office of Employer and Member Health Services  
Appeals Coordinator — PERS Choice Supplemental Plan  
P.O. Box 942714  
Sacramento, CA 94229-2714

The appeal must set forth the facts and the law upon which the appeal is based. If the Plan Member has medical records from Non-Preferred Providers supporting the appeal, the records should be included with the written appeal request. The Plan Member should send **copies** of documents, not originals, as CalPERS is unable to return any documents. Providing supporting information to CalPERS is voluntary. However, failure to provide such information may delay or preclude CalPERS in providing a final determination regarding the appeal. The time limit may be extended an additional thirty (30) days if good cause is shown; however, in no event will an appeal be accepted more than sixty (60) days after the postmark date of the Plan's final administrative determination.

Examples of what may be appealed include, but are not limited to:

- Failure to properly pay incurred expenses.
- Denial of approval for covered services.

An example of what may not be appealed includes, but is not limited to:

- Medical malpractice.

If CalPERS accepts the appeal, the following procedures apply.

### 1. Administrative Review

The Plan Member may present information described above or arguments in writing to support his or her position. CalPERS staff will attempt to resolve or address the Member's concern(s) in writing within thirty (30) days from the date all pertinent information is received by CalPERS.

### 2. Administrative Hearing

If a dispute remains following the Administrative Review process, the matter may proceed through the administrative hearing process. These hearings are conducted in accordance with the Administrative Procedure Act (Government Code section 11500 *et seq.*). These hearings are formal legal proceedings presided over by an Administrative Law Judge (ALJ), and Plan Members unrepresented by an attorney should become familiar with this law and its requirements if they choose to appeal to this level. The ALJ's Proposed Decision is not the final decision. The CalPERS Board of Administration must vote whether or not to adopt the Proposed Decision as its own decision at an open meeting. The Board's final decision will be provided to the Member.

### 3. Appeal Beyond Administrative Determination Procedure

If the member is still dissatisfied with the Board's decision, the Member may petition the Board for reconsideration of its decision, or may appeal to the Superior Court.

## CaPERS FINAL ADMINISTRATIVE DETERMINATION PROCEDURE

A Plan Member may not begin civil legal remedies until after the Plan Member has complied with these administrative procedures.

### Summary of Process and Rights of Plan Members

- **Right to records, generally.** The Plan Member may, at his or her own expense, obtain copies of all non-medical and non-privileged medical records from the administrator and/or CalPERS, as applicable.
- **Records subject to attorney-client privilege.** Communication between an attorney and a client, whether oral or in writing, will not be disclosed under any circumstances.
- **Attorney Representation.** At any stage of the appeal proceedings, the Plan Member may be represented by an attorney. If the Member chooses to be represented by an attorney, the Member must do so at his or her own expense. Neither CalPERS nor the administrator will provide an attorney or reimburse the Member for the cost of an attorney even if the Member prevails on appeal.
- **Right to experts and consultants.** At any stage of the proceedings, the Plan Member may present information through the opinion of an expert, such as a physician. If the Member chooses to retain an expert to assist in presentation of a claim, it must be at the Member's own expense. Neither CalPERS nor the administrator will reimburse the Member for the costs of experts, consultants or evaluations.

### Service of Legal Process

Legal process or service upon the Plan must be served at:

CalPERS Legal Office  
Lincoln Plaza North  
400 "Q" Street  
Sacramento, CA 95814

## MONTHLY RATES

Type of Enrollment	Enrollment Code	Cost
Insured Only	2231	\$375.88
Insured and One Dependent	2232	\$751.76
Insured and Two or More Dependents	2233	\$1,127.64

**State Employees and Annuitants.** The rates shown above are effective January 1, 2011, and will be reduced by the amount the State of California contributes toward the cost of your health benefits plan. These contribution amounts are subject to change. Any such change will be accomplished by the State Controller or affected retirement system without action on your part. For current contract information, contact the Health Benefits Officer at your employing agency or retirement system.

**Public Agency Employees and Annuitants.** The rates shown above are effective January 1, 2011, and will be reduced by the amount your public agency contributes toward the cost of your health benefits plan. This amount varies among public agencies. For assistance in calculating your net cost, contact the Health Benefits Officer at your agency or retirement system.

**Rate Change.** The CalPERS Board of Administration reserves the right to change the rates set forth above, in its sole discretion, upon sixty (60) days' written notice to Plan subscribers.

## DEFINITIONS

**Act** – the Public Employees’ Medical and Hospital Care Act (Part 5, Division 5, Title 2 of the Government Code of the State of California).

**Administrator** –

1. denotes CalPERS as the global administrator of the Plan through the Self-Funded Health Plans Unit of the Office of Employer and Member Health Services of CalPERS, also referred to as “the Plan”; and
2. denotes entities under contract with CalPERS to administer the Plan, also known as “third-party administrators” or “administrative service organizations.”

**Allowable Amount** – the Anthem Blue Cross allowance as defined below for the service(s) rendered, or the provider’s Billed Charge, whichever is less. The allowance is:

1. the amount Anthem Blue Cross has determined is an appropriate payment for the service(s) rendered in the provider’s geographic area, based upon such factors as the PERS Choice Supplemental Plan’s evaluation of the value of the service(s) relative to the value of other services, market considerations, and provider charge patterns; or
2. such other amount as the Preferred Provider and Anthem Blue Cross have agreed will be accepted as payment for the service(s) rendered; or
3. if an amount is not determined as described in either (1) or (2) above, the amount that Anthem Blue Cross determines is appropriate considering the particular circumstances and the services rendered.

**Annuitant** – defined in accordance with the definition currently in effect in the Act and Regulations.

**Anthem Blue Cross** – the claims administrator responsible for administering medical benefits under this Plan. As used in this Evidence of Coverage booklet, the term “Anthem Blue Cross” shall be used to refer to both Anthem Blue Cross and Anthem Blue Cross Life and Health Insurance Company.

**Appeal** – refers to the Member’s right to request review of decisions relating to the Member’s rights under the Plan. The term includes all of the following: the internal review by Anthem Blue Cross and the Pharmacy Benefit Administrator, sometimes referred to as a Plan grievance procedure; the Plan’s final administrative review by CalPERS; the fair hearing accorded by statute; and any administrative and judicial review thereof.

**Balance Billing** – a request for payment by a provider to a Member for the difference between Anthem Blue Cross’ Allowable Amount and the Billed Charges.

**Behind the Counter Drugs (BTC)** – a drug product that does not require a prescription under federal or state law and is available to members only through facilitation of the pharmacist or pharmacy staff. The PERS Choice Supplemental Plan outpatient prescription drug program does not cover BTC products.

**Billed Charges** – the amount the provider actually charges for services provided to a Member.

**Board** – the Board of Administration of the California Public Employees’ Retirement System (CalPERS).

**Brand-Name Medication (Brand-Name Drug)** – a drug which is under patent by its original innovator or marketer. The patent protects the drug from competition from other drug companies.

**Calendar Year** – a period commencing at 12:01 a.m. on January 1 and terminating at 12 midnight Pacific Standard Time on December 31 of the same year.

**Close Relative** – the spouse, domestic partner, child, brother, sister, or parent of a subscriber or family member.

**Contract Period** – the period of time from January 1, 2011, through December 31, 2011.

## DEFINITIONS

**Custodial Care** – care provided either in the home or in a facility primarily for the maintenance of the patient or which is designed essentially to assist the patient in meeting his or her activities of daily living and which is not primarily provided for its therapeutic value in the treatment of illness or accidental injury. Custodial care includes, but is not limited to, help in walking, bathing, dressing, and feeding (including the use of some feeding tubes not requiring skilled supervision); preparation of special diets; and supervision over self-administration of medication not requiring constant attention of trained medical personnel.

**Disability** – an injury, an illness (including any mental disorder), or a condition (including pregnancy); however,

1. all injuries sustained in any one accident will be considered one disability;
2. all illnesses existing simultaneously which are due to the same or related causes will be considered one disability;
3. if any illness is due to causes which are the same as or related to the causes of any prior illness, the succeeding illness will be considered a continuation of the previous disability and not a separate disability.

**Discretionary Drugs** – drug products used to treat non-life threatening conditions like erectile dysfunction.

**Drug** – see definition under Prescription Drugs on page 48.

**Employee** – is defined in accordance with the definition currently in effect in the Act and Regulations.

**Employer** – is defined in accordance with the definition currently in effect in the Act and Regulations.

**Experimental or Investigational** – any treatment, therapy, procedure, drug or drug usage, facility or facility usage, equipment or equipment usage, device or device usage, or supplies which are not recognized in accordance with generally accepted professional medical standards as being safe and effective for use in the treatment of an illness, injury, or condition at issue. Additionally, any services that require approval by the federal government or any agency thereof, or by any state governmental agency, prior to use, and where such approval has not been granted at the time the services were rendered, shall be considered experimental or investigational. Any services that are not approved or recognized in accordance with accepted professional medical standards, but nevertheless are authorized by law or a government agency for use in testing, trials, or other studies on human patients, shall be considered experimental or investigational. Any issue as to whether a protocol, procedure, practice, medical theory, or treatment is experimental or investigational will be resolved by Anthem Blue Cross, which will have full discretion to make such determination on behalf of the Plan and its participants.

**Family Member** – an employee's or annuitant's lawful spouse and any unmarried child under age twenty-three (23), including an adopted child, a stepchild, or recognized natural child who lives with the employee or annuitant in a regular parent-child relationship. It also includes an unmarried child under age twenty-three (23) who is economically dependent upon the employee or annuitant while there exists a parent-child relationship, or is dependent upon the employee or annuitant for medical support by reason of a court order. It also includes an unmarried child over age twenty-three (23) who is incapable of self-support because of a physical or mental disability which existed continuously from a date prior to attainment of age twenty-three (23). In addition, a family member shall include a domestic partner as defined in Section 22770 of the Act.

**FDA** – U.S. Food and Drug Administration.

**Generic Medication (Generic Drug)** – a Prescription Drug manufactured and distributed after the patent of the original Brand-Name Medication has expired. The generic drug must have the same active ingredient, strength and dosage form as its Brand-Name Medication counterpart. A generic drug costs less than a Brand-Name Medication.

**Health Professional** – dentist; optometrist; podiatrist or chiropodist; clinical psychologist; chiropractor; clinical social worker; marriage, family and child counselor; physical therapist; speech pathologist; audiologist; licensed occupational therapist; physician assistant; registered nurse; registered dietitian for the provision of diabetic medical nutrition therapy only; a nurse practitioner and/or nurse midwife providing services within the scope of practice as defined by the appropriate clinical license and/or regulatory board.

## DEFINITIONS

**Home Health Agencies** – home health care providers which are licensed according to state and local laws to provide skilled nursing and other services on a visiting basis in your home and recognized as home health providers under Medicare.

**Incentive Copayment Structure** – Members may receive any covered drug with copayment differentials between a generic medication, Preferred brand-name medication, and Non-Preferred brand-name medication.

**Incurred Charge** – a charge shall be deemed “incurred” on the date the particular service or supply is provided or obtained.

**Inpatient** – an individual who has been admitted to a hospital as a registered acute bed patient (overnight) and who is receiving services that could not be provided on an outpatient basis, under the direction of a physician.

**Maintenance Medications** – Drugs that do not require frequent dosage adjustments, which are usually prescribed for long-term use, such as birth control, or for a chronic condition, such as arthritis, diabetes, or high blood pressure. These drugs are usually taken longer than sixty (60) days.

**Medical Necessity/Medically Necessary** – determined by the Plan for all services not covered by Medicare; determined by Medicare for all services, procedures, equipment or supplies covered by Medicare.

**Medicare** – refers to the programs of medical care coverage set forth in Title XVIII of the federal Social Security Act as amended by Public Law 89-97 or as thereafter amended.

**Medicare Limiting Amount** – refers to a federally mandated maximum amount a provider can charge a Member for covered services if the provider does not accept Medicare assignment. This amount cannot exceed fifteen percent (15%) more than Medicare’s approved amount.

**Medication** – see Prescription Drugs

**Member** – See definition under Plan Member on the next page.

**Negotiated Network Amount** — the rate that the Prescription Drug benefit administrator has negotiated with Participating Pharmacies under a Participating Pharmacy Agreement for Prescription Drug covered expense. Participating Pharmacies have agreed to charge Members presenting their ID card no more than the negotiated network amount. It is also the rate which the Prescription Drug benefit administrator’s Mail-Order Program has agreed to accept as payment in full for mail-order Prescription Drugs. In addition, if medications are purchased at a Non-Participating Pharmacy, it is the maximum allowable amount for reimbursement.

**Non-Participating Pharmacy** – a pharmacy which has not agreed to Medco’s terms and conditions as a Participating Pharmacy. Members may visit the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers), or contact Medco’s Member Services at 1-800-939-7091 to locate a Participating Pharmacy.

**Non-Preferred Brand-Name Medication** – Medications not listed on your printed Medco Preferred Drug List. If you would like to request a copy of Medco’s Preferred Drug List, please visit the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers) or contact Medco Member Services at 1-800-939-7091. Medications that are recognized as non-preferred and that are covered under your Plan will require the highest (third tier) copayment.

**Non-Preferred Provider (Non-PPO)** – a group of physicians, hospitals or other health professionals that (1) do not have a Prudent Buyer Plan Participating Provider Agreement in effect with Anthem Blue Cross at the time services are rendered, or (2) do not participate in a Blue Cross and/or Blue Shield Plan network outside California at the time services are rendered. Any of the following types of providers may be Non-Preferred Providers: physicians, hospitals, ambulatory surgery centers, home health agencies, facilities providing diagnostic imaging services, durable medical equipment providers, skilled nursing facilities, clinical laboratories, urgent care providers and home infusion therapy providers. An individual Preferred Provider (e.g. an individual physician) who bills Anthem Blue Cross using the code for a Non-Preferred Provider (e.g. medical group) for a service rendered on a specific date shall be considered a Non-Preferred Provider for that service on that date. An individual Preferred Provider may be considered a Non-Preferred Provider if services are rendered outside the geographic area specified in the Prudent Buyer Plan Participating Provider Agreement.

## DEFINITIONS

**Open Enrollment Period** – a period of time established by the CalPERS Board of Administration during which eligible employees and annuitants may enroll in a health benefits plan, add family members, or change their enrollment from one health benefits plan to another without any additional requirements.

**Over-the-Counter Drugs (OTC)** – a drug product that does not require a prescription under federal or state law. The PERS Choice Supplemental Plan's outpatient prescription drug program does not cover OTC products, with the exception of insulin.

**Participating Pharmacy** – a pharmacy which is under an agreement with Medco to provide prescription drug services to Plan Members. Members may visit the Medco Web site at [www.medco.com/calpers](http://www.medco.com/calpers) or contact Medco's Member Services at 1-800-939-7091 to locate a Participating Pharmacy.

**Pharmacy** – a licensed facility for the purpose of dispensing prescription medications.

**Physician** – a doctor of medicine (M.D.) or doctor of osteopathy (D.O.) who is duly licensed and qualified under the law of jurisdiction in which treatment is received.

**Physician Member** – a licensed physician who has contracted with Anthem Blue Cross to furnish services and to accept Anthem Blue Cross' payment, plus applicable deductibles and copayments, as payment in full for covered services.

**Plan** – means the PERS Choice Supplement to Original Medicare Plan (PERS Choice Supplemental Plan). The PERS Choice Supplemental Plan is a self-funded health plan established and administered by CalPERS (the plan administrator and insurer) through contracts with third-party administrators: Anthem Blue Cross and Medco.

**Plan Member** – any employee, annuitant, or family member enrolled in the PERS Choice Supplement to Original Medicare Plan.

**Preferred Brand-Name Medication** – A medication found on Medco's Preferred Drug List and evaluated based on the following criteria: safety, side effects, drug-to-drug interactions, and cost effectiveness. If you would like to request a copy of Medco's Preferred Drug List, please visit Medco's Web site at [www.medco.com/calpers](http://www.medco.com/calpers) or contact Medco Member Services at 1-800-939-7091.

**Preferred Drug List** – A list of medications that are more cost effective and offer equal or greater therapeutic value than the other medications in the same drug category. The Medco Pharmacy and Therapeutics Committee conducts a rigorous clinical analysis to evaluate and select each Preferred Drug List medication for safety, side effects, drug-to-drug interactions and cost effectiveness. The Preferred product must (1) meet participant's treatment needs, (2) be clinically safe relative to other drugs with the same indication(s) and therapeutic action(s), (3) be effective for FDA approved indications, (4) have therapeutic merit compared to other effective drug therapies, and (5) promote appropriate drug use.

**Preferred Provider (PPO)** – a group of physicians, hospitals or other health professionals that (1) have a Prudent Buyer Plan Participating Provider Agreement in effect with Anthem Blue Cross at the time services are rendered, provides a service in the geographic area set forth in the Prudent Buyer Participating Provider Agreement, and bills Anthem Blue Cross under the terms of that Agreement for those services rendered, or (2) participate in a Blue Cross and/or Blue Shield Plan network outside California at the time services are rendered. Any of the following types of providers may be Preferred Providers: physicians, hospitals, ambulatory surgery centers, home health agencies, facilities providing diagnostic imaging services, durable medical equipment providers, skilled nursing facilities, clinical laboratories, urgent care providers and home infusion therapy providers.

**Prescriber (licensed prescriber)** — a licensed health care provider with the authority to prescribe medication.

**Prescription** – a written order issued by a licensed prescriber for the purpose of dispensing a Drug.

## DEFINITIONS

## FOR YOUR INFORMATION

### Organ Donation

Each year, organ transplantation saves thousands of lives. The success rate for transplantation is rising but there are far more potential recipients than donors. More donations are urgently needed.

Organ donation is a singular opportunity to give the gift of life. Anyone age 18 or older and of sound mind can become a donor when he or she dies. Minors can become donors with parental or guardian consent.

Organ and tissue donations may be used for transplants and medical research. Today it is possible to transplant more than 25 different organs and tissues. Your decision to become a donor could someday save or prolong the life of someone you know, perhaps even a close friend or family member.

If you decide to become a donor, please discuss it with your family. Let your physician know your intentions as well. Obtain a donor card from the Department of Motor Vehicles. Be sure to sign the donor card and keep it with your driver's license or identification card.

While organ donation is a deeply personal decision, please consider making this profoundly meaningful and important gift.

### Long-Term Care Program

Your PERS Choice Supplemental Plan has strict limits on the long-term care services it provides. The Long-Term Care Program offered by CalPERS provides coverage for the extended care you could need due to a chronic disease, frailty of old age, or serious accident. It covers help with activities of daily living, such as bathing, eating and dressing. It also provides supervision and support for people with cognitive impairments such as Alzheimer's disease. Long-term care can be needed at any age.

The CalPERS Long-Term Care Program is not part of the PERS Choice Supplemental Plan. If you want long-term care protection, you must purchase it separately. Please contact the CalPERS Long-Term Care Program at 1-800-982-1775 if you are interested in long-term care coverage.

### Health Insurance Portability and Accountability Act (HIPAA) Information

CalPERS and its plan administrators comply with the federal Health Insurance Portability and Accountability Act (HIPAA) and the privacy regulations that have been adopted under it. Your privacy rights under HIPAA are detailed in CalPERS' Notice of Privacy Practices (NOPP) which is mailed annually to each subscriber as part of the annual open enrollment mailing. In addition, the current NOPP is always available on CalPERS' Web site at [www.calpers.ca.gov](http://www.calpers.ca.gov). If you have any questions regarding your rights under HIPAA, please contact the CalPERS HIPAA coordinator at **888 CalPERS** (or **888-225-7377**). If you are outside of the United States, you should contact the operator in the country you are in to assist you in making the call.
